COLLEGE UPDATE

April 2013

From International President
Dr. I. Leon Aronson

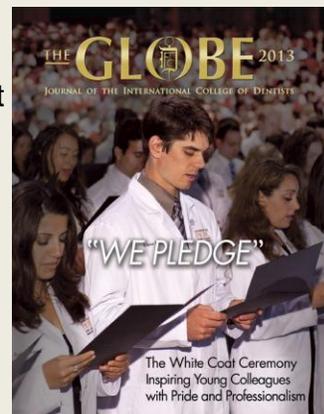

Dear Fellow

The 2013 *Globe* has been released and I hope that you have received your copy. I always look forward to *The Globe* and read it from cover to cover.

***The Globe* is Different**

I know that many publications are sent our way and some hold our interest more than others, but *The Globe* is different. It is the International College of Dentists' signature publication and the College's "calling card". It only comes out once a year so I urge you to give *The Globe* your special attention.

The Globe, which is the responsibility of International Editor Dov Sydney, gives us the opportunity to see what is going on in our global organization and reminds us that we are a part of something bigger than ourselves. While we may not be physically on the scene, we are a part of the many outstanding ICD projects regardless of where they are conducted.

College Leadership and Section Activities

In *The Globe* you will find information on the College leadership and a review of each Section's activities. Please take note of the number and variety of ICD projects as well as other valuable information about your College, the world's oldest and largest honorary dental organization.

A Final Thought

I suggest after you have read *The Globe*, that you place it in your reception area so that your patients can see what a prestigious organization *their* dentist is part of. They will especially appreciate the many ICD humanitarian programs occurring around the world that succeed because of your support for this most prestigious dental organization.

**Leon Aronson, DDS MS FICD
2013 International President
International College of Dentist**
