Standing Rules .................................................................................................................................................................... 79
WELCOME TO THE
INTERNATIONAL COUNCIL

GREETINGS!

As President, I have the honor of presenting our 2019 ICD Orientation and Leadership Manual to you as the world class leaders of the International College of Dentists. Our 2019 agenda is energetic as we renew our 2014/2015 Strategic Plan to accelerate our developing strategy with meaningful operational goals to guide our decisions for the next five years. Your ideas and collaboration for the development of the components of the Strategic Plan continue to bring immense value and will strengthen our final recommendations.

The Constitution and Bylaws Committee is developing a Standing Rules document from our current Constitution and Bylaws, which will simplify how we accomplish what our Bylaws direct us to do. The Projects Committee and additional ICD leaders have developed an Antibiotic Awareness video and have upgraded the interactive Projects Map to display an unlimited number of humanitarian and educational projects. This map is our most visual tool to emphasize our Global Humanitarian Footprint and showcase the involvement of our Fellows worldwide. The Awards Committee has clarified the qualifications for our leadership awards to guide you and your Section in the consideration of these awards. The Membership Committee continues to educate us about the status of our Fellowship recruitment and retention. Each of these initiatives, plus others, will be discussed at our annual Council meeting in Milan.

The anonymous quote “If Service is beneath you, Leadership is beyond you” summarizes my approach to ICD and life in general. This applies to you as College leaders as you participate in your Council committees and as you champion ICD within your Sections. You are honored by your local ICD Fellows to be their voice for the worldwide College. With that honor comes your responsibility to be the catalyst to assist your local leaders to identify qualified Fellowship candidates and to develop avenues to celebrate ICD in your Section.

I am honored to serve as your President during this exciting year. I look forward to seeing many of you in October as we prepare to start our Centennial year 2020.

In Fellowship,

Bettie R. McKaig DDS MPH
2019 International President
Introduction

The International College of Dentists has been *Honoring the World’s Leading Dentists Since 1920™*. The College is directed by its Constitution and Bylaws, which can be found at [http://www.icd.org/constitution-by-laws/](http://www.icd.org/constitution-by-laws/), and Standing Rules. To facilitate communications, the ICD has adopted English as its official language.

Each Section may be divided into Districts, which are usually formed by countries within that Section. Section XX is the International Section. It is composed of Regions: areas of the world that do not have enough Fellows to form a Section within the College governance framework.

ICD Governance

ICD College Office: The day-to-day business and affairs of the College shall be conducted by the Secretary General and administrative staff.

International Council: The International Council shall be the governing body of the College. The International Council shall have the authority to make any and all decisions regarding the conduct of the College. Decisions and actions of the International Council shall not be in conflict with the Constitution or the Bylaws of the College. The International Council shall be structured in accordance with Article III, Section 1, of the Bylaws.

Officers: The Officers of the College shall be Past President, President, President-Elect, Vice President, Treasurer and Editor. A majority of those members present and voting shall be required.

Committees: The activities of the International College of Dentists are conducted by the 9 standing committees and assigned ad-hoc committees and task forces working in concert with the College Office, under the direction of the Executive Committee, as stipulated in the Bylaws of the College.

**Further definitions may be found in the Bylaws Article IV–Duties of Elected and Appointed Officers and Councilors.**

INTERNATIONAL COUNCIL
The International College of Dentists is administered by the International Council. This governing body is made up of Councilors, College Officers (President, President-Elect, Vice President, Past President, Treasurer and Editor), Secretary General and a Secretary General Emeritus. The term of office for Officers is one year, except for the Treasurer (four years). The Editor shall be appointed by the International Council. Annually, a Vice President is nominated by the Nominations Committee and elected by the Council. This is a protected position in that the individual automatically succeeds to President-Elect and President in ensuing years. The Secretary General has a contract with the Executive Committee and Council, which specifies the duration. The Speaker of the Council is an Officer of the International Council only and is elected by the International Council on an annual-need basis.

The International Council is guided by the College’s Constitution and Bylaws and Standing Rules. Councilors are equals among peers. The International Council meets once in person each year during the months of September, October or November. The official correspondences and the business of the Council is conducted in English. Various Sections may invite and host the International Council at the same time as their annual convocation and initiation ceremonies for new Fellows.

COUNCILORS
Councilors are chosen by their respective Section. They are expected to attend the annual meeting of the Council. If for some reason they may not attend, they are to request a leave of absence from the College Office. They may assign an official alternative Councilor in their place.

As a Section’s representative before the International Council, the Councilor may represent all suggestions, concerns and proposals as well as other topics or actions that the represented Section wishes to present for consideration. The Councilor is expected to participate in all Council deliberations and work on assigned committees. Councilors must prepare a written report of their Section’s events and activities. This report must be received by the Secretary General no less than 60 days prior to the annual meeting of the Council. This allows all Councilors to see one another’s reports well in advance of the meeting, as well as allows for timely discussions or follow-up questions.

Conversely, the Councilor is expected to report back to their Section and membership regarding the discussions held during the International Council meetings. This is best done after the circulation of meeting minutes and/or summary to ensure accuracy of the events and actions. This communication back to the Section leadership and membership is paramount in terms of keeping the Fellows well-informed of the latest activities of the College and Council. It is important to keep the Fellows engaged in our activities by informing them of our deliberations.

It is expected that Councilors will have a willingness to travel to annual Council meetings and be proficient in written and spoken English. Each Councilor has a responsibility to prepare themselves individually for participation as a representative of their Section. Councilors should be familiar with the publications of the College, both written and electronic. They must also be aware of the history, structure, mission, membership requirements and governance of the College.

COMMITTEES and TASK FORCES
Throughout the year, the work of the Council is performed by its various committees and task forces. The Executive Committee and the College Office monitors the committee activities. The Standing Committees are named, and their duties are identified in the College Bylaws. Each year, the President issues special instructions, charges and missions to the committees. Ad-Hoc Committees and Task Forces may also be appointed by the President to carry out specific tasks or missions. The committee chairs and members are listed in this manual. A Councilor that wishes assignment to a specific committee should inform the President-Elect for consideration during the planning of the following year.

MEETINGS
The rules contained in the American Institute of Parliamentarians Standard Code of Parliamentary Procedure shall govern the professional conduct at all meetings conducted by and for the College. This book can be purchased, or versions of the code are available online for download:

**Debatable if no Other Motion is Pending
The International Councilor – Review of Duties and Responsibilities

Providing Global ICD Leadership

- Decisions made by the International Council are to be made from a global point of view and made for the good of the entire worldwide organization.
- It must be recognized that a Councilor, as just one person, represents many Fellows worldwide.
- A Councilor’s preparation for doing the work of the ICD should be based on an extensive knowledge of the ICD’s history, practices and traditions.

Attendance at Council Meetings – Participation in Council Work

A. Councilors are to attend the annual meetings of the Council. Alternate representation is permissible, when necessary, if the Councilor is officially excused by providing **advance notification** to the Secretary General.

B. Councilors are expected to actively participate in the Council’s deliberations and those of the committees they are assigned. **Councilors are expected to support the projects and initiatives agreed to by the Council.**

C. The presentation of ideas and initiatives for the betterment of the College is essential.

Councilor’s Role in College Communications

- Councilors are required to submit an Annual Report of the activities and events of the Section they represent for publication disbursement and review during the annual Council meeting.
- Councilors are expected to report back to their Section, informing them of the directions taken and decisions made by the International Council.
- Councilors should promote the submission of news of the College and Fellows in their Section to the ICD’s Editor and Director of Communications Dov Sydney (sydney@netvision.net.il), Facebook Manager Garry Lunn (garry@drlunn.ca), and Operations Manager Chelsea Segren (chelsea@icd.org) for distribution.

Providing Sectional Leadership

- The Councilor represents the interests of the ICD Section that they represent to the Council.
- The Councilor should monitor and influence the membership trends of their Section and promote the initiation of new Fellows and active participation by all Fellows.
- Councilors should assist the President and Registrar of their Section in meeting the required administrative and financial obligations to the International Council.
- Councilors should serve as liaisons and as goodwill ambassadors of their Section to fellow members of the International Council who may visit the Section or may have questions.
- Councilors are expected to facilitate the Section’s response to requests for reports or other information received from the College Office.
ICD Administration

ICD Governance – Administrative Guidelines for the International Council, Sections, Regions

The International Council (IC) is the centralized authority in the ICD governance structure. Meeting annually, the IC is represented by its Executive Committee (EC) throughout the year. The IC is responsible for global ICD uniformity, effectiveness and control. The EC engages the leadership of the Sections and Regions to ensure that their responsibilities are being successfully applied. The EC meets at least quarterly to make sure College initiatives and policies are being carried out or modified as required. Additionally, the EC authorizes recommendations and requests from the Sections and Regions, especially those of an international nature.

The International Council grants an official CHARTER and authorizes designated parties to conduct business as officially-designated subsidiaries, Sections and Regions, of the worldwide College. Sections and Regions must be organized in accordance to the Constitution and Bylaws of the College. The ICD Charter implies that the following guidelines have been agreed upon by the parties involved.

Responsibilities of the International Council:

- The Council grants to the Sections and Regions the right to be the official affiliate of the ICD in their nation, to accept qualified dentists for fellowship in the ICD and to represent the ICD locally.
- Designated Councilors will represent the interests of the Sections and Regions.
- The Council will publish news of the Sections, Regions and Fellows in all its communications.
- The ICD will limit worldwide membership to only those dentists who qualify by their record of achievement and their contributions to the dental profession or the public.
- The College Office is under the direction of the Secretary General and is located in Flint, Michigan, USA. The College Office will remain in contact and be of support to Councilors, Sections and Regions.

Responsibilities of ICD Sections and Regions:

- Maintain an updated roster of the Fellows, including Fellows’ membership and financial statuses, and provide an electronic copy to the College Office at least annually.
- Conduct an Initiation Ceremony for new Fellows annually, or at regular intervals approved by the Secretary General.
- Submit an annual written report of news and events or accomplishments by the Fellows to the Editor of The Globe.
- Organize an annual event or business meeting to bring Fellows together for educational or social reasons.
- The Sections’ payment policy for annual International Dues, for Sections that do not pay in full the first quarter, requires for 33% of each Section’s total Annual Dues to be submitted to the College according to the following schedule: 1st Installment due not later than April 30th each year; 2nd Installment due not later than June 30th each year; and the 3rd Installment due not later than November 30th each year. All governing bodies should operate from a budget and have a checking account in a bank.
- The College Office works directly with Section XX Regions to collect annual international dues.
- Sections should select a Fellow with good English language-speaking skills, to represent them as Councilor, and to provide financial support for their expenses of attending the Council’s Annual Meeting.
- To support projects that fulfill the goals and mission of the International College of Dentists (dental education, humanitarian dental care programs, leadership, international good will, etc.).
- To achieve an acceptable rate of growth of Active Members to assure long-term stability of the College.
ICD Strategic Developments and Progress

The Executive Committee (EC) dedicated one part of its 2019 in-person January meeting to a full-day strategic planning session guided by professional facilitators. Significant progress was made in identifying priority areas of development and change factors necessary to reach a desired future for the College. The updating of the 2014/2015 Strategic Plan included a review of the Mission Statement, the Core Values and the Operational Goals to ensure relevancy and accuracy of where the College is now and where it aspires to be in the future. Since that focused meeting, the EC reserves part of every EC meeting and many emails to continuing to evaluate and revamp the existing Strategic Plan into a viable blueprint for the College leadership and staff to use to accomplish College goals and measure progress. Each Councilor will have opportunities to give feedback and direction to guide the development of the goals and objectives which correspond to your committee. The strategic plan will continue to be developed by the Executive Committee, College committee members and staff, with a presentation and discussion of the plan and related components to occur at the 2019 Council meeting.

All Councilors are encouraged to contact the College Office or President McKaig with any suggestions, ideas or input they may have towards the development of the strategic plan.

Below are the four Goals of the updated Strategic Plan as of May 2019.

GOAL 1
The College will engage the Sections to maximize the identification and nomination of deserving colleagues for Fellowship and to improve the retention of current Fellows.

GOAL 2
The College will expand the ICD Global Humanitarian footprint by maximizing Fellowship engagement in humanitarian and educational projects while increasing strategic alliances with other international healthcare organizations.

GOAL 3
The College will implement current and emerging communications technologies to enhance engagement with Fellows as well as targeted individuals and organizations outside the ICD community.

GOAL 4
The College will create a culture of operational excellence and financial responsibility that supports ICD into the future.

2019 Constitution and Bylaws Restructure
Important progress is being made to the College Constitution and Bylaws and Standing Rules. At the 2018 Council meeting, the Council approved the separation and creation of the following College governing documents: Constitution and Bylaws and Standing Rules. The Constitution and Bylaws Committee was since then tasked with separating the existing content of the Constitution and Bylaws into a Standing Rules document and a Bylaws document. Constitution and Bylaws Committee Chair Dr. Peter Korch is working diligently throughout 2019 to complete this task. The EC is guiding the committee’s work, and the final version of the two separate documents will be available for Councilors’ review and approval at the 2019 Council meeting.
History: Founders of the College

The International College of Dentists was conceived at a farewell party for Louis Ottofy, D.D.S., M.D., LLD in November of 1920 in Tokyo, Japan. Dr. Ottofy was returning to the United States after practicing dentistry 23 years in the Philippines and Japan. Dr. Tsurukichi Okumura, of Japan, was in attendance and together with Dr. Ottofy, agreed to form an international organization to study the progress of the dental profession and distribute the information to all countries globally. The details and organization of the future College were discussed over the ensuing years and incorporated in 1928, in Washington, DC.

The College was created for these purposes:

To recognize ability
To advance the art and science of dentistry
To honor meritorious service

The first convocation was held in Denver, Colorado, on July 22, 1930, in conjunction with the American Dental Association. Membership at the time totaled 266, representing 174 countries, states or provinces. Today membership is over 12,000 Fellows. In 1931, a Constitution was adopted, along with Bylaws that provided for each Section to adopt additional Bylaws pertinent to that Section, provided there was no conflict with the parent body. In 1938, the College adopted a resolution stating the ICD Mission. In 1939, the College Key, which symbolizes the initials F.I.C.D., for Fellowship in the International College of Dentists, and is cast in gold to represent the purity of the organization, was designed by Dr. Justin Towner.

Prior to its reorganization in 1947, the College’s business affairs were conducted by the USA Section. The official publication of an annual newsletter was renamed The Globe in 1985. The day-to-day activities of the College are conducted by the College Office.

A more complete history may be found at www.icd.org under Information and History of the College. A historical video of Dr. Okumura can also be found on the ICD website under Multimedia Presentations, or you can follow the direct link here: https://youtu.be/aRSp9akw9Ug
Fellowship Honors and Awards

HONORS

- **ICD FELLOWSHIP (FICD)** is the first of several honors granted by our College. It is our College’s fundamental honor and confers membership to the organization. ICD Fellowship is awarded exclusively, through invitation only, to those individuals showing outstanding contribution to their profession, and demonstrating service and opportunity to serve.

- **MASTER of the ICD (MICD)** This is the highest distinction granted to Fellows who have rendered extraordinary conspicuous service to their Section and College and stand out through their personal integrity and eminence in their work. The awarding of MICD is considered a RARE honor.

- **LIFE FELLOWSHIP** This is a privilege bestowed on Fellows and Masters, who, throughout their lives, have been Fellows in good standing in the College, but due to their age or a disabling medical problem, have limited activity or income.

- **HONORARY FELLOWSHIP** To give recognition to individuals other than dentists who contribute significantly to the ideals of the College. This honor is conferred by a Section onto an individual, other than a Fellow of the College and not necessarily a dentist, who has rendered conspicuous service to the cause of dental science or has contributed to the promotion of the dental profession.

AWARDS

- **EMERITUS AWARD** To recognize outstanding service from retiring International Councilors. The award recognizes performance and contribution above normal expectations. The candidates for this award are living Fellows and Masters who have retired as International Council members and have contributed to the College progress and achievement in a special way.

- **OTTOFY OKUMURA AWARD** This is the highest award granted by the College. It is granted to a Fellow who has exhibited outstanding and significant contributions to the dental profession for the advancement of international understanding and goodwill. The individual shall not be eligible for the award until three years has elapsed since he/she last served the College or a Section on any Executive level or as an employee.

- **DISTINGUISHED SERVICE AWARD** This award, signed by the Executive Committee, is intended as a lifetime achievement award recognizing outstanding service to the College or the public over a long period of time. It is given to a Fellow, preferably a highly accomplished or distinguished Fellow, who has regularly served the College throughout their years with active services, contributions or donations to ICD. This category is also for Fellows who have serviced ICD exceptionally in a key role, such as Past Presidents, Officers or BOR members.

- **PRESIDENT’S CITATION AWARD** This award, signed by the International President and Secretary General, is intended to recognize one-time outstanding achievement. Given to a Fellow or non-Fellow, to honor uncommon and outstanding achievements, either within the College or in their communities in line with the mission of ICD.

- **MERITORIOUS AWARD** This award is intended to thank Fellows who have generously donated time and talent for ICD-related service or community volunteerism. This award may come from the International President and Secretary General or from a Section’s leadership. It is intended to recognize lifetime service.

USE OF FICD INITIALS

**FICD** is an abbreviation for **Fellow of the International College of Dentists**. All ICD Fellows are proud of their fellowship, and the College encourages the promotion of this fact to one’s professional colleagues and the public. Making others aware of the Fellowship also raises the awareness of our organization. The full use of the words **Fellow of the International College of Dentists** is appropriate on members’ letterheads, business cards, electronic correspondences, hard-copy documentations, newsletters and biographical data. It is meant to be presented as an honor conferred by the dental profession. The use of the complete words **Fellow of the International College of Dentists** has few restrictions* and is strongly encouraged. Spelled out in the above manner, they may be accompanied by the respectful use of official elements of graphic design and materials available from the College.

*RESTRICTIONS: These titles are not intended to be used strictly for commercial purposes or the direct solicitation of patients. Their use by Fellows must be in accordance with the Code of Ethics of their ICD Section and their regional dental association and comply with the rules of the appropriate regulatory agencies. The College does not authorize **FICD** to be used in an unrestricted* manner which the public might confuse with an earned academic degree. The initials **FICD following the initials of one’s academic professional degree is limited to communications within the professional community and is not appropriate when patients or the public are involved.
Understanding ICD Fellowship

The International Council Grants these Benefits and Privileges to ICD Fellows:

- ICD Fellows may display the initials of the honorary degree F.I.C.D. on their professional correspondence to demonstrate their membership in the world’s preeminent honor society for dentists as Fellows of the International College of Dentists. The use of other College signs or symbols, such as the “Key” or the “logo” is also permitted in accordance of approved uses.
- Fellows will receive the ICD’s impressive ICD Fellowship Certificate with its official golden seal for display. During the Initiation Ceremony, ICD Fellows will receive our symbol, a golden “Key” on a yellow and green distinctive ribbon to wear at official ICD functions, as well as a Fellowship Pin.
- ICD Fellows, who are in good standing with the College, will be listed in the public Fellow Directory now available on the ICD website at www.icd.org/fellow-directory/. The directory is an online, searchable roster of ICD Fellows across the globe, open to the public and Fellows alike.
- ICD Fellows’ dental practices can be linked to directly from the ICD Fellow Directory on the ICD website.
- ICD Fellows will become official members of the ICD’s worldwide community of dentists and be of the same status as all other Fellows around the world as peers within equals. ICD Fellows may take pride and claim ownership in being part of the ICD network that supports global projects in dental education and humanitarian dental care.
- ICD Fellows have the privilege and responsibility of nominating qualified individuals for ICD Fellowship. This can be done directly from the ICD website.

The Value of ICD Membership to Fellows

The ICD is a leading, international honor society for dentists and is known as such around the world. The concept of “honor society” is universally recognized. Dentist’s cannot join but must merit an invitation. Criteria must be met. An oath is taken. ICD Fellows are therefore a select group, and this can have a positive impact on their practice. It is reasonable to assume that patients would prefer to choose a dentist who belongs to dentistry’s honor society. ICD Fellows should let their patients and their community know they have been awarded Fellowship in the ICD, and ICD certificates must be displayed. Fellows should use ICD information and the ICD logo in their communications and social media initiatives, where applicable. Fellows’ patients should be referred to the ICD website to see who we are and what we do and will be proud to learn that their dentist was invited to be a member of this prestigious global organization.

It is important to note that only ICD Fellows in good standing with the College may use and benefit from the values and privileges of ICD membership.

Obligations of ICD Fellows to the College

- ICD Fellows are obligated to remain in good standing with the College by not being delinquent with their dues and by having no convictions pending against them by the ICD, organized dentistry or any other regulatory authorities in their country.
- ICD Fellows are obligated to promote the effectiveness and strength of the ICD by nominating qualified individuals for fellowship.
- Fellows shall remember that the F.I.C.D designation, the ICD Fellowship Certificate, the ICD Logo and the Fellowship Key remain the property of the ICD and may not be displayed by a member not in good standing or by dentists who are no longer members of the College.
Nominations for Fellowship: Motivate to Nominate

As the College will celebrate its 100th anniversary next year, there is no better time than now to identify candidates deserving of ICD Fellowship so that these new Fellows may have the opportunity to participate in this special historical celebration in 2020. We call upon the leaders in every Section to activate their networks to motivate ALL FELLOWS to “share the honor” and make Fellow nominations THIS YEAR.

EVOLUTION
In November 1920, Dr. Tsurukichi Okumura, President of the Japan Dental Association, hosted a farewell dinner for Dr. Louis Ottofy in honor of his 23 years of service in the Philippines and Japan. It was at this dinner the concept of the International College of Dentists was born, with the intent of hand-picked dentists from around the world sharing knowledge about dentistry as it was practiced in their respective countries. The original vision was that the College would be comprised of no more than 300 dentists representing every country in the world. By 1929, the College had grown to a membership of 250 dentists from 162 countries, provinces and states, and at the 1929 Board of Regents meeting it was agreed to open membership to those dentists who desired it.

During the first 100 years of ICD, the concept of ICD Fellowship has continued to evolve. Last year, as Chair of the 2018 Membership Committee, it became clear that Sections have philosophical differences about who deserves the honor of Fellowship. Sections are at different points in the evolution towards our common goal of “honoring the world’s leading dentists”. Concerns are often expressed that increasing the number of Fellows will dilute the meaning of ICD Fellowship. These same concerns were undoubtedly debated in 1929 by the Board of Regents.

Over the next 100 years of ICD history, concepts of ICD Fellowship will continue to be debated and will change as the times change. Opportunities for demonstrating leadership within our profession and within communities will change in ways we cannot imagine as technology continues to enable new ways to communicate and collaborate.

WHAT DO NUMBERS MEAN?
Numbers alone do not define the College or our membership goals. If we strive to identify those dentists in each country who truly demonstrate the leadership that deserves nomination to Fellowship, the percentage of registered dentists in each country who are Fellows will always be relatively small. At the 2018 Council meeting, we compared current percentages across Sections and saw variations from less than 0.1% all the way to 4.7%. This variation in the percentage of dentists who are Fellows in each Section highlights the differing philosophies that currently guide Sections in nominating new candidates.

The aim of the College is not to be the biggest dental honor society. However, if we are true to the ICD mission of “maximizing recognition of deserving colleagues by collaborating with Sections to enhance the identification and nomination of all potential Fellows”, the College will continue to grow in a healthy and desirable direction.

RESOURCES
The Standing Rules of the College give clear guidance about who should be considered for ICD Fellowship. It goes without saying that we are looking for dentists who demonstrate integrity, leadership and enduring service. Service and leadership may be demonstrated in academia, in dental organizations, in volunteerism, in community service and/or in other initiatives. We are encouraging an active search for those dentists who deserve the recognition of ICD Fellowship and have not yet been identified.

Considerable time has been dedicated at each Council meeting over the last five years to discussing membership growth—identifying barriers, sharing best practices, recognizing cultural differences and analyzing statistics. All this information is available for reference: https://www.dropbox.com/sh/uha5uxkeqg8jju5/AACP-2GU9R4FgRZK_rzwYOsxa?dl=0. Simply email me if you want to discuss membership within your Section, and we will have a chat. The future of your Section is in your hands.

Dr. Jackie Robinson
Chair, 2019 ICD Membership Committee
Email: jjrobinson@iinet.net.au
Key Membership Points from 2018 Council Meeting

In keeping with the format of ICD Council meetings since 2015, considerable time was dedicated at the 2018 meeting in to discussion of membership issues. The overall aims of the discussion were to share information about membership within the College and to glean guidance for the 2019 Membership Committee.

THE NEED TO CONTINUE TO FOCUS ON MEMBERSHIP GROWTH

Graph 1 shows the 1.9% decline in the number of Active ICD Fellows in 2013, which led to establishing the Membership Committee as a standing committee.

Although the 7-year trend in membership as shown in Graph 1 looks favorable overall, there are continuing issues with membership that require urgent attention. To illustrate that point: in 2013, seven Sections declined in membership; In 2014, six Sections declined in membership; In 2017, six Sections declined in membership. The 7.7% overall growth in Active membership in 2017 compared to 2011 translates to a net increase of 548 ICD Fellows worldwide. 62% of that net growth is due to net membership growth in Section XX Regions and in Section XIII China).

COUNTING – NOT AS SIMPLE AS YOU THINK

The number of Active Fellows is calculated by the College Office from the number of Fellows each Section pays a capitation fee for plus the number of Fellows each Section pays initiation fees for in a 12-month period. The discussion highlighted discrepancies in how Sections calculate their capitation and initiation fees. Discrepancies relate to counting of Master Fellows, counting of Active Fellows before or after induction, and counting of delinquent Fellows. Delinquency in some Sections is of major concern. There was Council consensus that membership statistics are important, and steps need to be taken to improve the consistency of calculating the number of members per Section.

DATABASE MANAGEMENT & REPORTING

The 2018 Membership Committee was made aware that there is significant variation in database reporting to the College Office by Sections. The variation ranges from real-time reporting of any membership changes, compared to Sections who do not submit updated membership records even once a year. Given that the Council confirmed the importance of the membership statistics and the global ICD database, improvements need to be made in database reporting in some Sections.

MEMBERSHIP GROWTH GOALS – TO BE OR NOT TO BE?

There were strong views expressed about setting goals for membership growth. Councilors indicated that, in some Sections, goals for membership growth are set internally to encourage nominations of new Fellows and to measure performance across districts within the Section. There was no consensus on the usefulness of setting “top down” goals for membership growth. That said, the percentage of registered dentists who are Fellows provides a useful frame of reference within the College. Current statistics indicate the percentage of registered dentists who are Fellows ranges from 0.1% to 4.7% across the Sections. The 2019 Membership Committee will work with each Section to update statistics on the number of registered dentists in each Section.

CONTEXT – WHAT IS MEANINGFUL GROWTH?

During the discussion on membership statistics and numerical goals, strong opinions were expressed that strategies for membership growth must focus on our core purpose: identifying dentists who deserve the recognition of Fellowship based on their leadership and contributions within our profession. The intent of the membership discussion was never to make membership growth purely about achieving numbers for numbers’ sake. The honor of Fellowship remains our core goal for membership growth. However, more accurate and detailed membership data is needed to fully understand what is happening with membership across all Sections and to develop effective strategies to keep the College strong for the next one hundred years.
College Communications
Dr. S. Dov Sydney
College Editor | Director of Communications

The College has made a major commitment to producing effective and relevant communications between the College leadership, College Office and Fellows of the College, through a variety of publications, email messaging and on our website. In addition, the College communicates regularly with non-member dentists, other health professionals and the public media to promote College activities and advance a better understanding of the College’s Core Values, while increasing its influence globally. The communications of the College are a collaborative responsibility of the Director of Communications/College Editor, the International Council’s Communications Committee and the College Office Communications Group (Director of Communications, Secretary General and Operations Manager).

Brand Consistency
It is important for all Fellows of the College to help maintain the ICD brand and message consistently throughout the world. This is achieved by using the College symbols properly, accurately and regularly. Sections, Regions, individual Fellows and other ICD entities should only use approved College symbols and graphic elements in print and digital communications, on apparel, and during ICD-related events. All other ICD symbols or graphic elements should be pre-approved by the College Office or ICD Editor before use. See College branding elements here: http://www.icd.org/wp-content/uploads/Brand-Identity-Package.pdf

WWW.ICD.ORG
The website has been completely redesigned and reformatted, with an emphasis on ease-of-viewing, simplicity in locating information, embedded user-friendly software and a new choose-your-language feature with more than 70 languages to choose from! The newly designed site is also virtually connected to the ICD worldwide Facebook page and shows real-time Facebook posts. The website is an excellent source for all kinds of information pertaining to the ICD and International Council, well worth your while to browse. It is continually being updated with presidential messages, publications, ICD events taking place throughout the year, news, features and much more.

College Communications

The ICD Logo

**DESCRIPTION OF THE LOGO**
The logo is dominated by universally-recognized ICD letters in stone-chiseled gold, incorporating a 3-D beveling such that the letters appear to rise boldly off the background, projecting strength of character and permanence, while the gentle rounding contributes to a subtle mix of modern and tradition. A truly international character of the College is represented in the College-green global icon, which is also the universal color of health and ecology. By design, this view of the globe does not favor any country or hemisphere as the College is considered a one-world organization. The globe is further divided by offset longitudinal lines suggesting rotation and vibrancy, further implying that the College is not a stagnant organization but constantly in motion, embracing deserving new members throughout the world while welcoming new ideas. A starburst of light emerges from the globe symbolic of ICD illuminating our planet with philanthropic, educational and humanitarian programs.

**USE OF THE LOGO**
The ICD logo is legally trademarked and represents an important element of the College’s identity. Only Fellows in **good standing** may use the logo to identify themselves as members of the ICD. The logo may not be used in any manner that discredits the College or is misleading. The logo may be used on ICD letterhead, newsletters, informational notices, during ICD events and ceremonies, or on ICD promotional materials or apparel. The logo may be used in professional communications including websites, business cards and phone directories. The logo may not appear on any educational or personal advertising, or other marketing materials. **This includes any correspondence on letterhead that is related to such events.** Various versions of the ICD logo, along with the Logo Usage Policy document, can be downloaded at www.icd.org/publications/.

The College Key

The Key continues to be the most honored emblem reminiscent of our values and traditions and will, in perpetuity, appear on our certificates, hang from our gold and green ribbons and be displayed in all its familiar venues.

Email Messaging

Since the start of our full member, email-messaging program, the College Office has sent over 380,000 individual email messages, in various media formats, to Fellows worldwide. The College e-newsletter, **The College Today** (TCT), is delivered bi-annually to all Fellows with valid email addresses. The TCT is a lively, informative and interactive newsletter that features articles about College Sections, personalities, news and events. Each TCT contains multiple links that encourage readers to discover more about the College including the website, Facebook posts, governance issues and reports of meetings.

Supplementing the TCT is the recently initiated **College Update**, published periodically throughout the year. **College Update** is predominantly an email message that delivers Presidential Messages, results of College elections, important leadership initiatives, and international events and relations.
College Communications

Media Center
The Media Center on the College website is a multilayered resource for public relations, information and promotion of ICD activities and news. The Media Center also is tasked with increasing ICD brand recognition via promotion and display of the College logo and promulgating our core values. The Media Center is the primary resource for the full gamut of information about the ICD.

The resources available in the Media Center include:

- **Multimedia Presentations** with videos, slideshows and other visual representations of ICD activities worldwide.
- The latest ICD news, events and activities happening worldwide, with live links.
- **The ICD YouTube Channel**
- A brief introduction to the ICD for the public and press, *The International College of Dentists: Who We Are* provides a concise review of the College's history, goals, organization and activities.
- Production and distribution of press releases to our expanding list of worldwide dental organizations, health journalists and interested parties inside and outside of dentistry who receive press releases throughout the year.
- The College Office designs, writes and sends out personalized press releases at the request of any International Officer or Councilor for distribution within their local areas.
- Press releases in languages other than English are also available. To date, messages have also been published in Japanese, Portuguese and Spanish.

The Globe
The premier annual publication that is distributed to all Fellows internationally is *The Globe*. The digital Globe is embedded with many hyperlinks to enhance the reading experience. These links include, for the first time, videos, photographic albums, text/documents for more in-depth reading, as well direct email options and contact information. Again, this is an excellent source of information showcasing our worldwide activities. *The Globe* can also be downloaded as a PDF file. This year, *The Globe* was partially funded by the Corporate Sponsor Program.

Hard copies of *The Globe* are available on order from the College Office: office@icd.org

Copy and paste this URL and share with family, friends, colleagues, sponsors and Fellows!
College Communications

Facebook
The ICD Facebook page provides real-time updates of ICD activities happening worldwide. This is an effective, universal way of communicating current information about the Sections and Regions throughout the world. Also, the social media gives us exposure to the public that we would not otherwise have. Facebook is a pictorial journal of the College’s humanitarian projects, events and accomplishments. Past International President Garry Lunn is the ICD’s Facebook Manager, and he keeps the page updated with text, photographs and video content on a weekly basis. If you would like an event, story, or Fellow featured on the page, please contact Dr. Lunn at 
garry@drlunn.ca with your request.

www.facebook.com/InternationalCollegeofDentists

YouTube
The ICD YouTube channel is now live! The channel is a compilation of various videos of ICD past presidents, leaders, events and more.

https://www.youtube.com/channel/UCwr_zF6aPQsAJCe2iME-Dtg

Public Relations
The ICD has prepared materials for public relations purposes. These public relations materials provide a general explanation of who the ICD is and what its goals and missions are. The ICD encourages its leadership representatives to request and use these materials whenever necessary, such as when dealing with the general public, media personnel and other dental or health organizations. The complete public relations statement can be digitally downloaded at http://www.icd.org/wp-content/uploads/ICD-WhoWeAre.pdf, and a hard copy can be requested from the College Office.

Please contact Editor Sydney or the College Office (office@icd.org) with any suggestions or ideas.
Corporate Partnership Program

The 12,000 Fellows of the College in 122 countries worldwide are dental professionals who are leaders and opinion makers in research, education and clinical practices. The College has a program of expansion into areas that are underserved and that would benefit from its presence. Areas of growth and development include China, India, Eastern Europe, Africa, South East Asia and Central America, which from a commercial perspective are rapidly-expanding large and potential markets.

The ICD has established symbiotic partnerships with international companies of repute from within the dental professional arena, who are recognized as Corporate Partners. The purpose of this partnership is to support the College in achieving its goals and objectives, to help with its communication and to aid its increasing educational and humanitarian programs. The College also aims to give support to their partners and wishes to deliver a good return on their investment.

Designated Partnership Levels and Rates

Diamond – $12,000 per annum for 3 years
Gold  – $9,000 per annum for 3 years
Silver – $6,000 per annum for 3 years

ICD Diamond Sponsors (as of March 2019)

- Henry Schein
- International Congress of Oral Implantologists
- Modern Dental Group

ICD Silver Sponsors (as of March 2019)

Dentsply Sirona
EMS Electro Medical Systems
Hu-Friedy
Spident Co. Ltd.
Global Visionary Fund

The ICD GLOBAL VISIONARY FUND (GVF) is a nonprofit, nonpolitical public charity established to ensure that ICD accomplishes its mission worldwide.

**VOLUNTEERISM** – ICD volunteers give of their time and talent. Often this is not enough. There are real costs to providing humanitarian care: materials, equipment, venue, transportation, medicines, etc. GVF removes these barriers. Through planned giving, donors can leave an important legacy.

**SECURING THE FUTURE** – The ICD GVF can be the financial foundation on which to build so that the ICD Mission of service will be accomplished and continued by future generations.

**TEAM FUNDRAISING** – The ICD GVF is funded by contributions from individuals and collaborating organizations, often tax deductible as allowed by law (IRS 501C3 US Government).

1. **CASH CONTRIBUTIONS** – Many methods are available to pledge future, or to make outright, gifts. Gifts may be named after someone, or their use can be directed by donors. Endowments are restricted funds set aside for the long-term benefit of important GVF initiatives, both current and emerging.
   - The Misch Legacy Endowment is an example of an ICD GVF endowment.
   - **PLANNED GIVING** – Align your contribution to ICD with your own personal, financial, estate-planning and philanthropic goals with expert assisted planning. Contact the ICD Global Visionary Fund or your own personal financial advisor to discuss options available by using widely-accepted estate planning methods.

Please contribute or pledge a gift! Donate online by using your credit card at [www.icd.org/global-visionary-fund/](http://www.icd.org/global-visionary-fund/) or by contacting the College Office.

Fellow Dr. Carl Misch enhanced the lives of innumerable dentists and their patients. His determination, vision and skill allowed him to bring implant dentistry into the mainstream of dental practice worldwide.

Dr. Misch leaves his many admirers and the dental profession the **Misch Legacy Endowment (MLE)**, managed by the ICD Global Visionary Fund. Donations to the MLE support dental educational and humanitarian care initiatives, provided by ICD volunteers, ensuring that the legacy of Dr. Misch, service to the dental profession and the public, continues. The Misch family has generously designated the MLE to receive memorial donations on his behalf. Your support honors Carl Misch and promises sustainability and growth for the fund that proudly bears his name.

Follow the link to donate to the MLE today at and help Share the Mission through the Global Visionary Fund: [www.icd.org/misch-legacy-endowment/](http://www.icd.org/misch-legacy-endowment/)
Strategic Partnerships

The International College of Dentists, ICD Global Visionary Fund, Henry Schein, Inc. and Henry Schein Cares Foundation are strategically collaborating in several areas.

GRANT PROGRAM
The Henry Schein Cares (HSC) foundation has donated $200,000 in dental and medical supplies to the ICD Global Visionary Fund (GVF), over 2 three-year periods. The GVF presently, applications are being considered for the provision of dental materials and equipment for use in charitable dental treatment projects and initiatives worldwide. Collaborating with HSC, our GVF International Projects Approval Board will review all incoming applications for grants of equipment and materials. Upon approval of each application, HSC will then deliver the requested equipment and materials to the applicant for use in the approved charitable project.

Projects demonstrating the possibility of achieving a sustainable improvement in oral health will be favored. Applicants must provide a specific list of the requested materials and explain how they will be used effectively. Grant awards are preferred to be valued at a maximum of $5,000 and should be submitted at least 90 days prior to the date supplies are needed.

Apply for a grant today at www.icd.org/apply-for-grants/

EXCLUSIVE CENTENNIAL PARTNER
Henry Schein, Inc. is the exclusive Centennial Partner of the International College of Dentists global Centennial celebrations. Henry Schein seeks to further support the College by partnering on various promotions and campaigns in preparation for ICD’s centenary celebrations in Nagoya, Japan, in 2020. The goal of this partnership is to increase awareness of the College Centennial, as well as to promote new interests in ICD’s membership and industry partners. HSC will work with the College to assist with marketing and communications in an effort to create promotional content.

CENTENNIAL GLOBAL MEDIA PARTNER
We are happy to inform our members that Dental Tribune International has been named the official Global Media Partner for the College Centennial. Today, the DTI publishing group is composed of the world’s leading dental trade publishers, and combines print, digital and educational media, currently including more than 130 print publications and multiple websites that reach more than 785,000 dentists in more than 90 countries and 25 languages.
Global Projects Registry

Many ICD Sections support humanitarian projects. These projects throughout the world are visible evidence of our presence to the public and profession.

Introduction —The College and Projects Committee have created the Global Project Registry in the form of a projects database. Available NOW on the Projects tab on the ICD website, is an interactive projects map (shown below) and projects directory that can be used by ICD Fellows, humanitarians, educators, volunteers and leaders worldwide. The goal is for the Global Projects Registry to become a resource that enables Fellows to share their ICD projects with each other worldwide and promote projects and volunteer opportunities.

ICD worldwide projects can be viewed on the ICD website here: http://www.icd.org/projects-2/

- **HUMANITARIAN PROJECTS** — ICD Fellows meeting global unmet needs for dental care. These types of projects can be oral healthcare, outreach and even environmental projects.
- **EDUCATIONAL PROJECTS** — ICD’s exchange of information initiative. The purpose is to deliver only information that is needed, only where it is needed, to improve oral health for all peoples. For example, the ICD Dental Safety Program is designed to raise infection control awareness worldwide.
- **LEADERSHIP PROJECTS** — ICD projects that teach Fellows, dentists, teachers, and practitioners how to be oral healthcare leaders of their communities.

REGISTER YOUR PROJECT TODAY! The College intends to list EVERY qualified ICD project in our Registry. But we need your help. Not all projects are known to the College Office, so please tell us about your project(s). If you have questions about criteria for ICD projects’ listing in the Registry, please see the Project Guidelines below. To correct, update or inquire about the ICD Project Registry, please contact the College Office.

Register or correct your ICD project by clicking this link: http://www.icd.org/wp-content/uploads/Project-Submission-Form.pdf
ICD Project Guidelines

Guidelines for Projects by Fellows using the ICD Name (ICD Projects)
The International College of Dentists (ICD) encourages altruism by its Fellows. Fellows are encouraged to initiate educational and humanitarian initiatives under the name or description of ICD, but they must be organized and delivered per these guidelines if the ICD name is used.

JURISDICTION
ICD projects shall be organized and operate under the oversight of the appropriate Section, Region or District of the College. They may also be authorized by the International Council. If the participants are ICD Fellows acting alone, or are not known to ICD leaders, a mentor or advisor should be assigned.

REPORTING
A description of the project shall be provided in advance by organizing Fellows and shall include basic elements of planning such as scope, duration, promotion, location, goals and financial considerations. Upon completion, a report of the results shall be provided. Ongoing initiatives lasting more than one year shall file an annual report of activities and results. A Global Registry of ICD Projects is maintained by the College Office. All ICD projects should be recorded in the ICD Global Projects Registry.

ORGANIZATIONAL MATTERS
ICD Fellows who intend to register their ICD project with a governmental authority for business, taxation or legal purposes shall make this known in advance. Related to this, those forming their own internal documents such as Bylaws or operating rules shall provide a copy of these to the College Office in advance. Copies of applications, registrations and permits shall also be provided.

DESIGN
ICD humanitarian projects should include the element of sustainability that reflects long-term concern for those treated. This could include preventive patient education, as well as support for the ongoing provision of care.

FUNDRAISING
ICD projects conducting their own fundraising shall report their intentions and methods in advance. Fundraising involving individuals or corporations, other than those within the borders of the involved Section or Region, especially as pertains to international corporations, must be coordinated through the College Office in Michigan, USA.

COLLABORATIONS
ICD projects that involve an ongoing collaboration with other non-ICD organizations should describe in a written report the purpose, intent, responsibilities, timeframe and expectations of the parties involved. Collaborations with other organizations should be based on the voluntary participation and good faith of the parties. Legally binding agreements are to be avoided. Those collaborations involving international organizations must be coordinated through the College Office.

UNIFORMITY OF APPEARANCE
ICD projects shall adhere officially approved standards of appearance in their communications and promotions. This includes project letterheads, newsletters, announcements, website pages, social media posts, etc. Only the official ICD logo, approved symbols and other elements of graphic design of the College may be used.
College Educational Programs

ICD Get Smart About Antibiotics Program: http://www.icd.org/get-smart-about-antibiotics/

**DEFINITION** – Antibiotic resistance is a critical issue to public health systems worldwide. Because of it, infections that were once easily treated with antibiotics are becoming more dangerous, causing treatment failure, prolonged suffering, or even death. The College formed a partnership with the US Centers for Disease Control and Prevention (CDC) Be Antibiotics Aware program. The mission is to disseminate critical information on antibiotic resistance and appropriate antibiotic use to ICD Fellows globally. The program has been developed by USA ICD Fellows, in collaboration with the CDC.

**METHODS:**
- ICD Fellows may request to use prepared Antibiotic Resistance materials in presentations or educational seminars. The College can also facilitate a professional speaker to deliver information on this topic. Please contact the College Office if you are interested in learning more about these opportunities.
- ICD Fellows can individually watch the 45-minute ICD Antibiotic Resistance video and complete the post-video knowledge test to receive 1 Hour of CE credit. Watch the video and take the knowledge test here: http://www.icd.org/antibiotics-video/

ICD Dental Speakers Bureau

The College has a fine tradition of providing speakers with expertise on various dental topics for ICD educational seminars of the Sections and Regions around the world. In 2017, Fellow Karen West, Dean of the Dental School at University of Nevada, Las Vegas US traveled to Chengdu, China for the annual meeting and seminar of ICD Section XIII China. As a past Chair of the Commission on Dental Accreditation in the US, Dr. West spoke on the topic of standardization of dental education, which was of great interest to the Fellows in China. Information sharing, such as this example, brings different perspectives to common interest issues and represents ICD at its best. The College provides match-making services and financial support while the Section or Region provides for the local arrangements and venue. Contact the College Office for more information.

ICD Dental Safety Program: http://www.icd.org/dental-safety-program/

**DEFINITION:** The ICD Dental Safety Program (DSP) is designed to increase the knowledge, improve the attitudes, and implement safer practice of oral health professionals/personnel to meet minimum acceptable standards in infection control and occupational safety. The emphasis of this educational initiative is towards developing nations.

**METHODS:** The following is our approach:
- **Educational Materials** – ICD has the state-of-the-art educational materials for infection control and dental safety that can be downloaded directly from the ICD Dental Safety Program webpage.
- **Capacity Building within the profession** – ICD DSP will deliver an intensive 2-3 day training programs intended for dental educators and other trainers of oral health personnel.
- **Educational Programs for dental professionals** – Educational seminars/workshops will be presented by knowledgeable and experienced ICD DSP Educators.
- **Internet Based educational programs** – Infection control technique training videos will be made available at no cost to any viewer, accessed through the DSP website.
- **Provision of materials and supplies** – for oral health care mission workers.

*The ICD Global Visionary Fund may be a source for financial support to College educational programs.*

**PURPOSE:** The ICD-WUDAA Scholarship Program offers annual scholarships to dental students. This program demonstrates concern about the high cost of dental education and its negative impact on the career choices of graduating dentists by doing as much as possible for individual students and raising awareness of the serious issue of dental school student debt.

**DEFINITIONS:**
- International College of Dentists (ICD)
- Washington University Dental Alumni Association (WUDAA)
- ICD Section I USA Foundation (USAF)
- ICD Global Visionary Fund (GVF)

**METHODS:** WUDAA established a dental student scholarship program years ago after the Washington University Dental School, St. Louis, closed during the 1990’s. Whereas both ICD and WUDAA have established programs in support of dental students and high-quality dental education, they have agreed to collaborate in the continuation and future growth of the existing WUDAA Scholarship Program.

Nominations and letters of endorsement on behalf of student applicants may be submitted by ICD Fellows, Washington University dental alumnus or dental school faculty members. Candidates shall demonstrate financial need and be in good standing at a USA dental school approved by ADA/CODA. International students are eligible.

**COLLABORATIONS:**
- The GVF provides the administrative support required for funding and managing the scholarship program
- The USAF processes the screening of candidates and final selection of grant recipients
- WUDAA is involved in program administration and continued financial support

**SUBMIT AN APPLICATION**

**DEADLINE FOR APPLICATIONS: JUNE 30, 2019**

If you would like to submit an application to receive an ICD-WUDAA Scholarship Award, **DOWNLOAD THE APPLICATION FORM HERE.**

Completed applications can be submitted to ICD:
- Email to: office@icd.org
- Fax to: (810) 265-7047
- Mail to: **International College of Dentists**
  **Attn: ICD-WUDAA Scholarship**
  **G3535 Beecher Road, Suite G**
  **Flint, MI 48532 USA**

*Two (2) scholarship awards in the amount of $2,500 each will be awarded in 2019.*

Growth, Development, Collaboration

KEY CONCEPTS FOR ICD SUCCESS

ICD GROWTH (Increasing the number of ICD Fellows)
The growth of the College is an important responsibility of ICD leaders. It is critically important that the number of Active dues-paying members increases each year. Annually, numerous Fellows qualify for Life status and pay no dues. The financial stability of the College requires that this loss of income be replaced. Also, size matters! The influence and impact of the ICD is directly related to its size. This we know for sure, that the ICD was not intended to be an exclusive club, that all dentists who qualify for ICD Fellowship should be invited to ICD Fellowship.

ICD DEVELOPMENT (Extending the worldwide reach of ICD)
To be a truly international organization, the ICD must continually strive to reach areas where it has little or no presence. For the International Council, this has meant building new Regions in the lessor-developed countries of the world. For Sections and Regions, development means creating new Districts in underrepresented areas of their countries. In corners of the earth where the ICD has no presence, the ICD Secretary General has been authorized to admit qualified dentists to Fellowship one at a time to plant seeds for the future. In its 97-year history, the ICD has come a long way in its development but still has a long way to go. ICD leaders everywhere should pursue every opportunity to help extend the College where it presently does not exist.

ICD COLLABORATION (Achieving the ICD Mission by merging ICD strengths)
The ICD strives to increase its effectiveness through collaboration with related organizations. The ICD sees these other organizations as potential collaborative partners, not as competitors. This viewpoint stems from the fact the need for services is vastly greater than what can be delivered. Formal collaborative relationships have been established by the ICD in the following examples:

- **FDI** – The FDI World Dental Federation consists of a membership of organized dental associations. The ICD is an Affiliate Member of the FDI and participates by submitting testimonies and comments on programing. Several ICD leaders are FDI leaders, a well.

- **WHO** – The World Health Organization is the directing authority for health matters within the United Nations System. The ICD is a financial sponsor of WHO Global Oral Health Programs: The Phillip Dear Fund (http://www.icd-europe.com/the-philip-dear-foundation/) of ICD Section V Europe provides generous financial support for WHO oral health survey and publication initiatives.

- **Center for Disease Control and Prevention (CDC)** ICD has established a formal relationship with CDC to support the CDC’s Get Smart About Antibiotics program. This is a public health initiative intended to prevent the development of antibiotic resistant microorganisms caused by the unnecessary use of antibiotics. The ICD will use its worldwide network of Fellows, its website, electronic communications and onsite seminars to distribute ICD/CDC Get Smart materials. A Memorandum of Understanding guides ICD and CDC as strategic partners in this noble effort to raise awareness of the need for dentists to use antibiotics judiciously.
College Centennial

A Worldwide Celebration
ICD’s most experienced leaders are on the College Centennial Committee (CCC), which is diligently working to organize all aspects of the Centennial from events and public relations, to fundraising and the international induction ceremony. Under the theme “Celebrating the first 100 years”, every Section, District and Region is planning local events. Each jurisdiction has been assigned at least one or more local Fellow to provide oversight and ensure events planning is proceeding as well as act as a liaison with the CCC. The possibilities for celebrating our 100-year anniversary are endless. The CCC has accumulated a wealth of resources to help with guidance and recommendations.

If you would like to get involved with, or host, local Centennial activities, you can contact your Section’s Centennial Chair.

Centennial is Online and in Full Countdown Mode!
The new Centennial website is online, and the countdown clock is running. Here is where you will find the latest news and information on all things Centennial. You can reach the website directly at ICD100.org, or from the College website by clicking on the tab “ICD100”.

Centennial Website: WWW.ICD100.ORG

Sharing the Centennial Story with the World
The Centennial has been a wonderful attraction point for promoting the College. The attention we garner because of the seminal achievement of reaching 100 years as an organization is a milestone that bolsters fulfilling our strategy of telling the amazing story of the College, its Core Values and humanitarian/educational initiatives to the media and public personalities throughout the world. Feature articles and interviews have appeared in publications in many countries and languages. One very well-received article was published by Dental Tribune and distributed to its readership of 600,000. This article is a recommended resource in explaining the College to those not familiar with our organization.

The Finale in Nagoya

Nagoya, Japan is the venue for the 2020 International Council meeting and the concluding events of the Centennial.

- In addition to conducting the business of College during the Council meeting, a Symposium on College Humanitarian and Educational Programs is being planned, which will review and establish guidelines for the continued maintenance and expansion of ICD initiatives. Pre-and-post-conference tours are available to ensure a unique and memorable Centennial experience for Fellows, families and guests visiting Japan for the meeting and festivities in 2020. More information and instructions for registration, accommodations, touring selections and advice will be posted on the Nagoya page of the Centennial website as they become available.

- The Gala Banquet will be a once-in-a-lifetime event that will take place on November 13, 2020, in Nagoya. The finale to the Centennial celebration year and excitement for the start of a new century for the College will feature a unique salute to our amazing ICD history, many surprises and, of course, a magnificent gastronomical experience.

- The International Induction Ceremony will take place along with the Gala evening. We already have commitments from the Philippines and European Sections to have their board meetings in Nagoya. The USA Section and other Sections will be offering the option to approved nominees to be inducted in Nagoya. **Sections who have not made their intentions known are requested to advise the College Office (office@icd.org) of their expectations regarding participation in the Induction Ceremony no later than September 1, 2019.**

Honoring the Past, Securing the Future

Funding is, of course, a major necessity and challenge. There’s been significant progress in preparing for the Centennial Campaign, including the design and production of the Centennial brochure, developed with the assistance of Henry Schein. The College has also met with many of the top leaders in the dental industry, who have expressed sincere interest in supporting the College. ICD will also be present at major dental meetings over the upcoming year to engage and confirm support from corporate partners. In addition to the corporate program, there is a parallel campaign geared to encouraging individual Fellows to contribute to the success of the Centennial.

The **Centennial Brochure** has been designed to assign in fundraising for the Centennial. You may download the Centennial Brochure digitally here: [https://icd100.org/wp-content/uploads/2018/11/18CC1891_ICD-Brochure_Final.pdf](https://icd100.org/wp-content/uploads/2018/11/18CC1891_ICD-Brochure_Final.pdf)

Or you may request printed copies from the College Office (office@icd.org) at no cost to distribute to Fellows, corporate sponsors and potential sponsors, or general supporters.
Submitted Biographies

These biographies have been submitted by Officers, Councilors and Regents who have chosen to participate.

EXECUTIVE COMMITTEE

PRESIDENT
BETTIE R. MCKAIG (SPOUSE: DR. ROSS VAUGHAN)
DATE OF BIRTH: 26 February 1949
YEAR OF INDUCTION INTO ICD: 1988

COLLEGE OFFICE – SERVICES AVAILABLE
The College Office acts as the representative unit for the International Council and all of its supporting needs. The College Office can provide official ICD letterhead (electronic and hard copy), business cards, ICD logo formats or other customizable templates to College leadership figures, in efforts to accommodate their professional needs or better their work as an ICD representative. The College Office can assist with technological or social media issues, such as posting content on the ICD Facebook page, digitally editing photographs, hosting video conferences between ICD leaders and committees, or addressing specific software problems. The College Office can provide ICD leadership figures with the
necessary communicational documents and materials for purposes such as public relations, meeting potential corporate sponsors or handing out information at ICD/dental events. Finally, the College Office will provide letters for ICD representatives when necessary, such as for travelling requirements, legal requests or proof of membership, etc. At all times, the College Office is working to keep its database records updated and is available to provide current information to Fellows when requested. So that the database records are always accurate, all Sections must provide their updated membership records to the College Office at least once per year. As the College continues to grow, we are continuing to grow our press contact list of email addresses of existing or potential sponsors, dental organizations or groups, dental supply companies, dental schools, etc. This list ensures that ICD e-communications are received by all dental groups globally, and ICD continues to be known and recognized in all corners of the world. We need Fellows’ and leaders’ assistance in growing this list of email addresses, so we strongly encourage ICD leaders to provide the College Office with contact email addresses regularly.

INTERNATIONAL COUNCIL MEMBERS,
SECTION XX REGENTS

AHMED ADEL ABDELHAKIM GOMAA
(SPOUSE: DR. HANADY SAMIH QUNEIBI)

The name of this organization shall be “The International College of Dentists,” hereinafter referred to as “the College.”

Recognizing Service and the Opportunity to Serve

"The International College of Dentists is a leading honor society for dentists dedicated to the recognition of outstanding professional achievement and meritorious service and the continued progress of dentistry for the benefit of all humankind."

Leadership: Uphold the highest standard of professional competence and personal ethics
Recognition: Recognize distinguished service to the profession and the public worldwide.
Humanitarianism: Foster measures for the prevention and treatment of oral disease by encouraging and supporting humanitarian projects.

Education: Contribute to the advancement of the profession of dentistry by fostering the growth and diffusion of dental knowledge worldwide.
Professional Relations: Provide a universal forum for the cultivation of cordial relations within the profession and to assist in preserving the highest perception of the profession.

The governing authority of this organization shall be: 1. Established in this Constitution; 2. Outlined in the Bylaws, and; 3. If necessary, delineated in the Policy Manual. These documents may be referenced in whole or in part as the application may require. All provisions of the Constitution and Bylaws of the International College of Dentists, now in force or adopted in the future, shall automatically apply to the Sections of this College.

The day to day business and affairs of the College shall be conducted from a facility, which shall be referred to as the “Central Office”, or the “Office of the College”, or “Office”. The International Council shall establish the location for the College Office. The College Office and all personnel employed therein shall be under the direct supervision of the Secretary General.

There shall be at least four (4) classes of Fellowship (Membership) in the College: Active, Master, Honorary, and Life. A Section may, after due deliberation and by action of its Board of Regents or its Governing Body, establish an additional class of membership. Such a class of Membership shall not be in conflict with the provisions of this Constitution. Should a Section or Region establish an additional class of membership, that action must be reported to the Secretary General of the College, in writing, prior to the next meeting of the International Council. Qualifications for Fellowship, and the requirements for remaining a Member in Good Standing, shall be delineated in Article II of the Constitution.

The day to day business and affairs of the College shall be conducted from a facility, which shall be referred to as the “Central Office”, or the “Office of the College”, or “Office”. The International Council shall establish the location for the College Office. The College Office and all personnel employed therein shall be under the direct supervision of the Secretary General.

The College shall be organized into Autonomous Sections and Section XX: Regions may be further geographically oriented into Districts and Constituents.

There shall be at least four (4) classes of Fellowship (Membership) in the College: Active, Master, Honorary, and Life. A Section may, after due deliberation and by action of its Board of Regents or its Governing Body, establish an additional class of membership. Such a class of Membership shall not be in conflict with the provisions of this Constitution. Should a Section or Region establish an additional class of membership, that action must be reported to the Secretary General of the College, in writing, prior to the next meeting of the International Council. Qualifications for Fellowship, and the requirements for remaining a Member in Good Standing, shall be delineated in Article II of the Bylaws.

The International Council shall be the governing body of the College. The International Council shall have the authority to make any and all decisions regarding the conduct of the College. Decisions and actions of the International Council shall not be in conflict with the Constitution or the Bylaws of the College. The International Council shall be structured in accordance with Article III, Section 1, of the Bylaws. The International Council shall have the final authority to determine the recipients of Awards granted by the College.

The College shall be organized into Autonomous Sections and Section XX: Regions may be further geographically oriented into Districts and Constituents.

The day to day business and affairs of the College shall be conducted from a facility, which shall be referred to as the “Central Office”, or the “Office of the College”, or “Office”. The International Council shall establish the location for the College Office. The College Office and all personnel employed therein shall be under the direct supervision of the Secretary General.

There shall be at least four (4) classes of Fellowship (Membership) in the College: Active, Master, Honorary, and Life. A Section may, after due deliberation and by action of its Board of Regents or its Governing Body, establish an additional class of membership. Such a class of Membership shall not be in conflict with the provisions of this Constitution. Should a Section or Region establish an additional class of membership, that action must be reported to the Secretary General of the College, in writing, prior to the next meeting of the International Council. Qualifications for Fellowship, and the requirements for remaining a Member in Good Standing, shall be delineated in Article II of the Constitution.

The International Council shall be the governing body of the College. The International Council shall have the authority to make any and all decisions regarding the conduct of the College. Decisions and actions of the International Council shall not be in conflict with the Constitution or the Bylaws of the College. The International Council shall be structured in accordance with Article III, Section 1, of the Bylaws. The International Council shall have the final authority to determine the recipients of Awards granted by the College.
be presented to the International Council for ratification at the next meeting of the Council. The structure of the Executive Committee shall be in accordance with Article III, Section 2, of the Bylaws.

SECTION 3. OFFICERS
The Officers of the College shall be President, President-Elect, Vice President, Immediate Past President, Treasurer, and Editor. The Speaker of the Council is an Officer of the International Council only. The International Council shall have the sole authority to elect or appoint Officers of the College and shall do so at the Annual Meeting of the Council. A majority of those members present and voting shall be required.

A. Automatic Succession
The President-Elect shall automatically be elected to the office of President upon the completion of a standard term of office or for any circumstance that should create a vacancy in the office of the President. The Vice President shall automatically be elected to the office of President-Elect upon the completion of a standard term of office or for any circumstance that should create a vacancy in the office of the President-Elect.

B. Elected Officers
The President, President-Elect, Vice President, Immediate Past President and Treasurer shall be the elected Officers of the College. Only members of the International Council shall be eligible. The Speaker of the Council shall be elected by the International Council. All Fellows of the College membership shall be eligible. See Bylaws Article III, Section E, Paragraph 1.

C. Appointed Officer
The Editor shall be appointed by the International Council. All members of the College shall be eligible.

D. Duties of Officers and Terms of Office
The duties and terms of the Officers shall be in accordance with Article IV, of the Bylaws. All officers are part of the Council.

SECTION 4. SECRETARY GENERAL
The Secretary General shall be selected by the International Council, which shall be empowered to execute a contract with the individual selected. The contract shall have a term of from three to five years and may be renewable. The Secretary General shall serve as the Administrator of the College and shall be responsible for administrative planning, execution, and implementation of all programs and policies as directed by the International Council or the Executive Committee.

SECTION 5. STANDING COMMITTEES
The day-to-day operation of the College shall be conducted by the Secretary General and coordinated with the Officers and Committees of the College. Standing Committees of the College shall be as follows:

Awards
Communications
Constitution & Bylaws
Executive
Finance
History
Nominating
Membership
Projects

The President shall have the authority to appoint the members and name the Chairman of all Committees with the exception of the Executive Committee, and the Nominating Committee. This authority is further delineated in Article IV, Section 1 of the Bylaws.

SECTION 6. SPECIAL COMMITTEES
Special Committees, which hereinafter may be referred to as “Ad Hoc” Committees, may be appointed by the International Council, Executive Committee, or the President, as the need may arise. The term of all Special (Ad Hoc) Committee chairs and members shall be coterminous with that of the entity making the appointment. (President, Executive Committee and International Council).

ARTICLE VIII - INITIATION FEES & ANNUAL DUES

SECTION 1. INITIATION FEE
An Initiation Fee, set by the International Council for each new inductee, shall be paid by a Section to the College. Said fee shall be due and payable within 60 days of induction.

SECTION 2. ANNUAL DUES
Annual Dues, set by the International Council, shall be assessed annually for each Active Fellow of the College. Each Section shall be responsible for remittance of the total Annual Dues for all active Fellows. All Sections shall pay the same Annual Dues per Fellow unless an adjustment has been requested and approved by the International Council at the Annual Meeting. Should the International Council grant a modification, such modification shall be for the next fiscal year only. Continuation of the modification shall require annual approval of the International Council. The Annual Dues shall be payable in the first quarter of the financial year. The payment policy for Annual Dues, for Sections that do not pay in full the first quarter, be required for 33% of each Section’s total Annual Dues to be submitted to the College according to the following schedule: 1st Installment due not later than April 30th each year; 2nd Installment due not later than June 30th each year; and the 3rd Installment due not later than November 30th each year. If the Section fails to pay their Annual Dues in that financial year, they will be considered delinquent resulting in losing their voting rights in the Council. If it occurs for two consecutive years, the Section loses the right to attend the Council Meeting.

SECTION 3. REPORTING FEES
Rosters indicating the names, postal addresses, e-mail, phone and fax of all Candidates and Fellows of a Section must accompany all payments. This applies to Annual Dues as well as Initiation Fees. It shall be the duty of the Secretary General or Registrar of each Section to comply with this requirement.

ARTICLE IX - ANNUAL MEETING
Should the International Council meet only once a year, then that meeting shall be the Annual Meeting. The Annual Meeting shall be divided into two Sessions (See Order of Business). The Annual Meeting of the College shall be held at the discretion of the Council and at the invitation of the Section. The invitation shall be limited to the months of September, October and November of each year with the preferred dates being from the last week of September to the second week of November of each year. In unusual circumstances and with two thirds (2/3) approval of the International Council assembled, the Annual Meeting may be scheduled outside of these parameters. The International Council shall coordinate the time and place of the Council meeting with the host Section.

ARTICLE X – OFFICIAL LANGUAGE
The official language of the College shall be English. The official word processing software should be Microsoft Word.

ARTICLE XI – DEFINITIONS
The authority for these definitions shall be referenced in Webster’s New Concise Dictionary whereas a word which “means”, is “intended to be” the same as.

“Active Practice”, any continuing activity related to dentistry that results in financial gain.
“Autonomous Section”, a geographically oriented division of the International College of Dentists which was established to facilitate organization of College activities at local and regional levels.
“College”, the International College of Dentists.
“Councillor”, a member of the International Council.
“District”, a geographically oriented division of an Autonomous Section.
“Fellow”, any person who is a member of the College. This is often abbreviated to F.I.C.D. (Fellow of the International College of Dentists).
“Fellowship” and “Membership” shall mean the same. Section XX: Regions, the division of the College with no specific geographic boundaries, which is constituted to provide a Section for those Fellows who reside where there is no Autonomous Section. Inductees of Section XX for induction may be inducted in any Autonomous Section or during the Annual Meeting of the College wherever it may be hosted.
“Mail”, shall also mean e-mail.
“Month”, shall mean a calendar month.
“Office”, means the Central Office of the College.
“Region”, a geographically oriented division of Section XX.
“Seal”, means the Official Seal of the College.
“Written” or “In writing”, shall mean typing, printing, lithographing, and other modes of representation or reproducing words and figures in visible form.
ARTICLE XII – GENDER

Except where the context otherwise requires, words denoting the singular shall include the plural and words denoting the masculine shall include the feminine.

ARTICLE XIII – INDEMNITY & LIABILITY

Every member of the International Council and of the Executive Committee and any other Committee appointed in accordance with the Constitution and any salaried employee of the College shall be indemnified out of the funds of the College to pay costs, losses and expenses which any such member or employee may incur or become liable, for reason of any contract entered into or action, deed or thing done by him as a member, officer or employee, or in any way in the discharge of his duties unless the same shall arise through his own willful neglect default, breach of duty or trust. The funds of the College shall be guaranteed by a protective insurance plan, which provides for these contingencies.

ARTICLE XIV - OFFICIAL SEAL

The Secretary General shall provide for the safe custody of the Official Seal, which shall only be used by the authority of the International Council. Every instrument to which the Seal is affixed shall be signed by the Council President, Section President, or in their absence, an officer of the International Council and shall be countersigned by the Secretary General, Section Secretary, or in their absence, the Deputy Secretary General.

ARTICLE XV – RULES OF ORDER

Rules contained in the most current edition of “American Institute of Parliamentarians Standard Code of Parliamentary Procedure” shall govern the professional conduct at all meetings of the College. This publication is the professional conduct at all meetings of the College. This publication is the American Institute of Parliamentarians’ continued edition of Alice Sturgis’ philosophy on parliamentary procedures.

ARTICLE XVI - AMENDMENT OF THE CONSTITUTION

This Constitution may be amended at a meeting of the International Council especially convened for that purpose. The notice convening this meeting shall set forth the proposed Amendments and shall be mailed to the Councilors at least forty-two (42) days prior to the meeting. The Amendments must be passed by two-thirds (2/3) of those present. A special meeting may be convened at a regular meeting of the International Council upon the approval of two-thirds (2/3) of those present; and in such case approval of the Amendments shall require a three-fourths (3/4) majority.

ARTICLE XVII - DISSOLUTION OF THE COLLEGE

SECTION 1. DISSOLUTION OF THE COLLEGE

If upon dissolution of the College, after the satisfaction of all debts and liabilities of the College, there remains any property and/or assets, these shall not be paid to, or distributed among, the Fellows of the College; but shall be given or transferred to some other institution having similar objectives to the objectives of the College. The International Council shall determine such institution at the time of dissolution and in default thereof by the legal process of the country in which the office of the College is then located.

SECTION 2. DISSOLUTION OF A SECTION OR REGION

Upon the dissolution of an Autonomous Section or of a Region of Section XX, the same requirements as specified in Section 1 shall apply, except that any remaining assets shall be assigned to the International College of Dentists.

ARTICLE XVIII - FISCAL YEAR

The Fiscal Year of the International College of Dentists shall be the standard calendar year, January 1 through December 31.
ARTICLE I – ORGANIZATION & STRUCTURE

The International College of Dentists shall be organized geographically into Sections, Regions, Districts, and Constituents, as follows:

AUTONOMOUS SECTIONS

Districts

Constituents

SECTION XX: Regions

SECTION 1. SECTIONS AND REGIONS

A. Each Fellow of the College shall either be a member of an Autonomous Section or of Section XX: Regions.

B. The purpose of the above structure shall be to facilitate administration at local and regional levels and to promote, more effectively, the aims and objectives of the College.

C. Any area not in an Autonomous Section shall be a Region in Section XX, which shall be administered by the Executive Committee or the International Council of the College.

D. The International Council may vary the geographical or regional areas included in a Section either on petition of the Fellows of the area or the Section concerned. Such a petition shall be channeled through the Section officers with a copy to the Secretary General of the College at least six (6) months prior to the next meeting of the International Council.

E. The International College of Dentists will consist of 16 Sections (15 Autonomous Sections and Section XX). The International Council may consider additional Sections upon proper petition by Fellows in a Region or Regions.

SECTION 2. AUTONOMOUS SECTIONS

A. Autonomous Sections approved by the International Council shall consist of at least 120 members residing in geographically grouped areas or countries.

B. Each Autonomous Section shall be a self-governing body within the framework of the College and shall have its own Bylaws, none of which shall be in conflict with the Constitution or Bylaws of the College.

C. The International Council shall have the authority to create or dissolve an Autonomous Section, after due consultation with all parties affected by such action. However, nothing contained herein shall prejudge the individual rights and privileges of Fellows of the College by such variation or dissolution of a Section.

D. The Bylaws of an Autonomous Section may be subject to review by the International Council.

E. Approved Autonomous Sections:

Section I. United States of America
Section II. Canada
Section III. Mexico
Section IV. South America
Section V. Europe, Israel
Section VI. India, Sri Lanka, Nepal
Section VII. Japan
Section VIII. Australasian-Australia, New Zealand, Fiji Islands, Papua, New Guinea, and other Islands of the South Pacific
Section IX. Philippines Islands
Section X. Middle East-Lebanon, Jordan, Iraq, Saudi Arabia, Syria, Kuwait, Bahrain, Qatar, Muscat, Oman, all Arab Emirates, and Yemen
Section XI. Korea
Section XII. Chinese Taipei
Section XIII. China
Section XIV. Myanmar
Section XV. Afghanistan, Bangladesh, Brunei, Cambodia, Hong Kong, Indonesia, Laos, Macau, Malaysia, Pakistan, Singapore, Thailand, and Vietnam

F. Districts

In order to effectively pursue the objectives of the College, and satisfy the administration required on a local level, an Autonomous Section may further subdivide into Districts and Constituents. The Secretary General must be provided with a written description of any and all divisions within a Section.

SECTION 3. INTERNATIONAL SECTION (SECTION XX) AND REGIONS

A. Administration

The International Council or the Executive Committee of the College shall administer the affairs of the Section XX, through its Secretary General who also serves the College as Registrar of Section XX, in accordance with the Constitution and Bylaws of the College including the approval of Fellows, appointment or removal of Section XX Councilors and Regents and the Assessment and Collection of all fees and dues.

B. Representation

The International Council may elect members of Section XX as Councilors. Each Councilor, or their representative, shall be expected to attend at least one (1) of every two (2) International Council meetings unless excused by the International Council. The Councilors shall be appointed for the term of three (3) years and may be re-appointed.

C. Petition to become Autonomous

Fellows in a Region or Regions of Section XX who are located in the same area may directly petition the International Council to be chartered as an Autonomous Section of the College, or the International Council may, at its own discretion, grant a charter for a new Autonomous Section.

1. The submitting Region must approve a petition before it is presented to the International Council.

2. The following guidelines must be followed.

a. The Petition must be signed by a minimum of forty (40) Fellows.

b. The Petition must include a copy of the proposed new Section’s Bylaws.

c. The Petition must include a slate of officers and committee members.

d. The petition must include a proposed dues structure, which includes the dues to the College and a proposed yearly budget.

D. Approved Regions of the Section XX:

Region 21. Central America, Guatemala
Region 27. Southern Africa – Botswana, Lesotho, Malawi, Mozambique, Namibia, South Africa, Swaziland, Zambia and Zimbabwe
Region 28. Central Africa
Region 29. Egypt and Sudan
Region 30. Iran
Region 32. Bermuda, Bahamas, Guyana, French Guiana, Suriname, English Caribbean Islands
Region 34. Western Africa – Cameroon, Nigeria and Ghana
Region 35. Eastern Africa – Kenya, Uganda, Tanzania, Rwanda, Burundi, South Sudan
Region 36. Mongolia
Region 37. Turkey
Region 39. Kazakhstan
Region 40. Russia
Region 50. At Large

E. Failure to maintain Section Status

If a Section fails to maintain the minimum number of 120 Fellows that allowed it to move from a Region status to an Autonomous Section status, the Section will be placed on probation. The probationary status will last for two (2) years from the date it fell below the 120 Fellow minimum standard to allow it sufficient time to correct the deficit. If not corrected within that timeframe, the Section will revert to Region status. During the probationary period, the Councilors representing the Section may attend the International Council with all privileges.

F. Districts

In order to effectively pursue the objectives of the College, and satisfy the administration required on a local level, Section XX: Regions may further be subdivided into Districts and Constituents. The Secretary General must provide the International Council with a written description of any and all divisions within a Region of Section XX.

ARTICLE II - MEMBERSHIP

SECTION 1. REQUIREMENTS

A candidate for admission as a Fellow in the International College of Dentists shall:

A. Have been, for at least five (5) years, active in the practice of dentistry or in any phase of dentistry that meets that definition such as teaching, research, or government service.

B. If being a member of the dental organization of the Section or Region in which he resides, be a member in good standing. Being a member is not compulsory unless the Section or Region to which he belongs have their own requirement in this respect delineated in their own Constitution & Bylaws.

C. Be a graduate of any dental school recognized by the International College of Dentists.

D. Be accepted as an active contributor to his profession and to his community and highly esteemed by both for his integrity and character.
E. A dentist who qualifies for ICD fellowship may be invited and accepted for fellowship by any ICD Section, provided that the Section where that candidate lives or works be informed and requested to confirm that the dentist is in good standing.

SECTION 2. ACCOMPLISHMENTS
A candidate for Fellowship must present supportive documentation of his contributions to the dental profession and to his community.

SECTION 3. SPONSORSHIP
A candidate shall be sponsored for Fellowship by no less than two (2) Fellows who have personal knowledge of the candidate and who are in a position to know whether or not he conforms to the requirements of Article II, Section 1 of these Bylaws. (In exceptional circumstances and in developing areas, the candidate may be proposed by an officer of that Region.) The application shall be submitted and acted on as specified by the Board of Regents or Governing Body of the Section or Region concerned. In Section XX, the application shall be submitted to the Secretary General of the College for appropriate action. In all instances candidacy for membership shall be by invitation only. The Secretary General shall be notified of the action taken on a candidate.

SECTION 4. CLASSES OF MEMBERSHIP (FELLOWSHIP)

A. Autonomous Sections.
There shall be at least four (4) classes of fellows in the College: Active, Masters, Honorary, and Life. Membership in the College shall be by invitation only and such invitation shall emanate from the Section or Region in which the person to be invited lives or practices. Such a candidate, when elected, shall become a member of both the College and the Section or Region which proposed him.

1. Active Fellows
Fellows shall, at the time of their induction, be dentists in active practice and in good standing in their respective countries.

2. Master Fellows
Masters shall, at the time of their induction, be Active Fellows or Life Members who have rendered extraordinarily conspicuous and outstanding service to the College. Their selection shall be in accordance with the requirements of the Section which is conferring the honor, and the Board of Regents or Governing Body of the Section. The Awarding of the status of Master shall be considered a rare distinction. Approval of the International Council or its Executive Committee must be obtained before Mastership is awarded having received prior nomination from the Section.

3. Honorary Fellows
The Board of Regents or Governing Body of a Section may confer Honorary Fellowship upon an individual, other than a member of the College and not necessarily a dentist, who has rendered conspicuous service to the cause of dental science or has contributed to the promotion of the dental profession. Honorary Fellows shall be exempt from payment of all dues and shall have no vote in College affairs. Such action shall be reported to the Secretary General. 

4. Life Members
When a Fellow has fulfilled the requirements for Life Membership set forth by the Board of Regents or Governing Body of a Section, he shall be eligible for Life Membership. He may apply to the Board of Regents or Governing Body of his Section and upon majority approval by that Board or Governing Body, Life Membership shall be conferred. It is incumbent upon Life Members who are eligible for a reduced fee. Such action shall be reported to the Secretary General.

5. Others
A Section may, after due deliberation and by action of its Board of Regents or its Governing Body, establish another class of Membership. Such a class of Membership shall not be in conflict with the provisions of this Constitution. This action shall be reported to the Secretary General.

SECTION 20

1. Any active member in good standing who has been a member a minimum of ten (10) years, and is sixty-five (65) years of age or older, and is engaged in sixteen (16) hours or less a week in practice, research, administering or teaching of dentistry and has a combination of years of membership and age of eighty (80) is eligible for Life Membership and may so petition the Executive Committee of the ICD.

2. A member of the College forced to retire from practice, research, administering or teaching of dentistry due to a disabling medical problem or other extenuating circumstances may be eligible for Life Membership. A petition for same shall require the approval of the Executive Committee.

SECTION 5. PROPERTY, USE OF LETTERS, AND DELINQUENCY
A. The Fellows of a Section shall not acquire property or any parts thereof, belonging to the Section.
B. Fellows in the College, in good standing, are allowed to use the letters F.I.C.D. (Fellow of the International College of Dentists), or if applicable, M.I.C.D. (Master Fellow), immediately following their name and professional degrees depending on the customs, laws, regulations and professional ethics of their respective Sections and locality.
C. A Fellow shall be regarded as delinquent and not in good standing if he, or she, fails to pay the dues required. If a governing Section determines a Fellow has violated the provisions of Fellowship, his membership shall be terminated. The Secretary General of the College shall be notified immediately whenever action is taken to terminate membership of a Fellow of the College. The terminated member shall also be reminded that the Certificate of Fellowship and the Key to the College are the permanent property of the College and shall no longer be displayed or used by the terminated member. The same applies to the use of the FICD designation in any form.
D. Any former Fellow whose membership has been terminated due to his failure to pay the required dues may make application for readmission to the Section. The Board of Regents of that Section shall establish the requirements for readmission.

SECTION 6. CENSURE, SUSPENSION, AND EXPULSION
A. Any Fellow of the College may be censured, suspended or expelled for misconduct in his relationship to the College or his profession as described in the Constitution and Bylaws of the College and of the Section or Region.
B. A Fellow who is expelled from the College shall lose all rights and privileges of membership in the College and shall no longer display his College certificate and key to the College. This expulsion shall be reported immediately to the Secretary General; and to proper authorities outside the International College of Dentists if legally applicable.

SECTION 7. TRANSFER OF MEMBERSHIP
A. If a Fellow in good standing of a Section or a Region moves to another Section or Region, he may apply for a transfer of Membership.
B. If he moves into a Section, he must notify the governing authority of the Section into which he has moved. If he has moved into another Region, he must notify the Secretary General of the College. He shall include in the notification evidence of his good standing in the Section or Region he vacated.
C. He shall remain a dues-paying Fellow of the original Section or Region until he receives acknowledgment of his membership in the new Section or Region.
D. He may be allowed to attend meetings of the new group while he awaits acknowledgment of his transfer.
E. It shall be the responsibility of the new Section to notify the Secretary General of the transfer of membership.

SECTION 8. MEMBER IN GOOD STANDING
A member shall be adjudged to be in good standing if all applicable dues are current and there are no known convictions pending with the International College of Dentists or any component of organized dentistry.

SECTION 9. RESIGNATION
Resignation from the College shall be in writing and shall not become final until accepted by the Board of Regents of that Section or its equivalent. All property of the College shall be returned to the College. See Bylaws Article VI Section 2.

ARTICLE III - ADMINISTRATION

SECTION 1. INTERNATIONAL COUNCIL
The International Council shall govern the affairs of the College. The International Council may make any decision regarding the operation of the College as long as it is not in conflict with the Constitution and Bylaws of the College.

A. Structure of the Council
1. The International Council shall be comprised of the Officers of the College and the Councilors elected to the International Council by the Sections of the College as delineated in Article III, Section 1.B and Article I, Section 3.B.
2. The Immediate Past President of the College shall serve as an official voting member of the Council and shall be in addition to the allotted number of representatives from that Section.
3. Secretary General, Editor, and all Past Presidents of the College except the Immediate Past President mentioned in the Bylaws Article III Section 1-A-2, shall be ex-officio members of the International Council with voice privilege but no vote.
4. The Speaker of the Council shall serve as a non-voting Officer of the Council and shall preside over the meetings of the International Council in an impartial manner and in accordance with the Rules of Order established and listed in Article XV of the International College of Dentists’ Bylaws.

B. Representation
All Sections shall be represented by at least one Councilor. A minimum of 500 Active Fellows in good standing is required to appoint and maintain a second Councilor. Thereafter, additional Councilors may be appointed for every 500 additional Fellows in good standing in a Section. The International Council may adjust the number of Councilors to represent each Section.

C. Councilors
1. Each Section shall elect the allotted number of Councilors to represent that Section on the International Council.
2. Councilors shall be elected from among the Fellows of that Section.
3. The International Council shall elect the Section XX Councilors.
4. The International Councilors serve at the discretion of the Section they represent. A Councilor ascending into an elective office of the Colleges will not be counted as a Council allocation from that Section. However, any Councilor on being elected to a position on the Executive Committee, may, at the request of his or her Section, retain the voting right for that Section. This action would then entitle the Councilor so involved, to two votes at the Council’s Annual meeting, one as an elected Officer of the Council and the second as the representative of his or her Section.
5. Each Section of those Fellows who have been elected Councilors shall notify the Secretary General of the College of that election.

D. Meetings of the International Council
1. Time and Place
The International Council shall meet at least once a year. Should the Council only meet once within the calendar year, that meeting shall be the Annual Meeting. The Annual Meeting shall be divided into two Sessions (See Order of Business). The time and place of the Annual Meeting shall be held at the discretion of the council and at the invitation with the host Section. The invitation shall be limited to the months of September, October and November of each year with the preferred dates being from the last week of September to the second week of November of each year. In unusual circumstances and with two thirds (2/3) approval of the International Council assembled, the Annual Meeting may be scheduled outside of these parameters. The International Council shall coordinate the time and the place of the Council meeting with the host Section. In the absence of an invitation from a Session, the Council shall meet at the discretion of the President.
2. Notice of Meeting
Written Notices of a Meeting of the International Council shall be sent to each Councilor by the Secretary General of the College at least forty-two (42) days prior to the date for the meeting.
3. Alternate Councilors
If a Councilor is unable to attend a meeting of the International Council, an alternate representative may be appointed. The non-represented Section, for the purpose of having representation on the Council, shall make the appointment of an Alternate Councilor. The appointee shall be for one meeting only. The Alternate Councilor shall exercise such privileges as a duly elected Councilor. The name of such an alternate shall be submitted to the Secretary General prior to the meeting. An Alternate Councilor should not be appointed for each year of the three- (3) year term of an elected Councilor. Should an elected Councilor be unable to attend for three (3) consecutive years of his term, the Secretary General shall notify the Section and request a replacement.
4. Quorum
Ten (10) members of the International Council, personally present, shall constitute a quorum, provided those ten members represent at least five (5) Sections.
5. Agenda
The notice of an International Council Meeting shall contain a request for items to be included in the Agenda. Any items to be included in the Agenda shall be sent to the Secretary General of the College within fourteen (14) days of receipt of the original notice. A final Agenda shall be sent to all members of the International Council at least fourteen (14) meeting days prior to the Meeting. Additional copies shall be available at the Meeting.
6. Parliamentary procedure
In accordance with Article XV of the Constitution of the College, all International Council meetings shall be conducted under the rules contained in the most current edition of "American Institute of Parliamentarian’s Standard Code of Parliamentary Procedure”.
7. Chairman of the Council
The President of the College shall serve as Chairman of the International Council.
8. Order of Business
The business of the Annual Meeting shall include the following items:
First Session:
   a. Approval of agenda with power to the President to change order if needed.
   b. The minutes of the preceding International Council
   c. Officers’ annual reports
   d. Secretary General’s report
   e. Standing committee reports
   f. Special committee reports
   g. Section reports. These should be in writing and received by the Secretary General no less than sixty (60) days prior to the meeting.
   h. Old Business
   i. New Business (introduction only)
Second Session
   j. New Business (consideration and vote)
   k. Budget Approval
   l. Election of Officers
   m. Appointment of the Editor
9. Voting and Proxy Votes
At meetings of the International Council, each Councilor present shall have one (1) vote. In the case of a tie vote, the Chairman shall have the deciding vote. Unless otherwise specified within the Constitution or Bylaws, the majority rules.

E. Election of Officers
1. The International Council shall, at its annual meeting, by a majority of votes, elect from its number the following Officers: (1) President-Elect, (2) Vice President, (3) Treasurer, and, from the College membership, (4) Speaker of the Council.
2. The International Council shall, by a majority of votes, appoint, from the membership of the College, the Editor.
3. The President-Elect shall automatically assume the office of President at the conclusion of a standard term of office or in the event of a vacancy in the office.

F. Officers Term of Office
The officers of the College shall hold office for a period of one (1) year and shall be eligible for re-election with the exception of the President, President-Elect, and Vice President who shall serve for a period of one (1) term only in each office. The Treasurer and Speaker of the Council may serve multiple terms but shall be limited to four consecutive terms of one year each. On advice by the Executive Committee, the Council will yearly vote on nomination to fill an office. Should an election of a Speaker for the next Annual Meeting, provided the advice by the Executive Committee includes appropriately the need and the financial feasibility of having a Speaker available in the next annual meeting. Officers shall remain in office until their successors have been duly elected and installed at the Annual Meeting of the International Council. Their installation ceremony will be held at the Annual Meeting of the International Council, and their term of office will commence at the end of the Annual Meeting at which they were elected and installed.

SECTION 2. EXECUTIVE COMMITTEE

A. Members
The Executive Committee shall consist of the President, President-Elect, Vice President, the Treasurer, Secretary General and the Editor. All members of the Committee shall have a vote except the Secretary General and the Editor.

B. Powers
The Executive Committee shall have the power to conduct any affairs of the College which require action during the interim between International Council meetings. All actions of the Executive Committee shall be reported to the next meeting of the International Council for discussion and final action.

C. Quorum
No meeting of the Executive Committee shall be held unless at least three (3) voting members are personally present.

D. Meetings
The Executive Committee shall meet at the call of the President or upon the request of any two (2) other members.

E. Mail Ballot
The President and the Secretary General, in the case of an urgent matter, which cannot be delayed until the next meeting of the Executive Committee, may conduct a mail ballot. A mail ballot shall be sent to all members of the Executive Committee for their vote. A mail ballot may also be used to conduct the business of the International Council when deemed necessary by the President and the Secretary General. This mail ballot shall be sent to all members of the International Council. The results of mail ballots shall be binding on the College until the next meeting of the Executive Committee or the International Council, when the matter shall be presented by the Secretary General for discussion and final action. A majority of the ballots or votes received within a specified time which indicates an affirmative preference shall be required to approve a proposal unless otherwise specified in the Constitution and Bylaws of the College. The word ‘mail’ in this paragraph shall also mean "e-mail".
SECTION 3. SECRETARY GENERAL
A. Authority
The International Council shall have the authority to advertise, screen, interview, negotiate, and enter into contract with the person appointed as Secretary General.
B. Contract
The contract shall be for a period of from three (3) to five (5) years and may be subject to renewal. The duties of the Secretary General shall be delineated under that Section of these Bylaws entitled “Officers and Their Duties”.

ARTICLE IV - DUTIES OF ELECTED AND APPOINTED OFFICERS AND COUNCILORS

SECTION 1. PRESIDENT OF THE COLLEGE
It shall be the duty of the President to:
A. Preside at all meetings of the College, the International Council, and the Executive Committee except the Annual Meeting (aka Annual Business Meeting), which will be the duty of the Speaker of the Council.
B. Assume the office of President in the event there is a vacancy in that office. The incoming President is granted the authority to appoint the Chairman of the Regions. The Immediate Past President shall be a fully vested member of the autonomous Sections of the College.

SECTION 2. PRESIDENT-ELECT
It shall be the duty of the President-Elect to:
A. Assist the President as requested.
B. Perform the duties of the President in his absence or his inability to serve.
C. Succeed to the office of President at the next annual Meeting of the College following his election as President-Elect. See Article III Section 1 -F.
D. Receive from the Secretary General an accounting of all funds paid to the College.
E. Serve as an ex-officio member of all committees of the College.
F. Receive a stipend for College travel as determined by the Council.
G. Shall receive a stipend for College travel as determined by the Council.

SECTION 3. VICE PRESIDENT
It shall be the duty of the Vice President to:
A. Assist as President as requested.
B. Serve as an ex-officio Officer of the International Council (without vote).
C. Serve as Parliamentarian of the Council.
D. Chair the Finance Committee and keep the minutes of the meetings.
E. Serve as an ex-officio member of the International Council and submit a written report to the International Council at an Annual Meeting, which will be the duty of the Speaker of the Council.

SECTION 4. SECRETARY GENERAL
It shall be the duty of the Secretary General to:
A. Direct the internal and external relationships of the College.
B. Maintain close and cordial communications with the leadership throughout the Regions and Sections of the College, serving as a conduit for information to and from these components.
C. Represent the College to related health professions around the world.
D. Serve as an ex-officio member of the International Council and Executive Committee.
E. Act as Secretary of the International Council and Executive Committee.
F. Attend all meetings of the College, the International Council, the Finance Committee, and the Executive Committee.
G. Furnish in detail the financial condition of the College. He shall also present a written report to the International Council at its Annual Meeting, furnishing in detail the financial condition of the College.

SECTION 5. TREASURER
It shall be the duty of the Treasurer to:
A. Receive from the Secretary General an accounting of all funds paid to the College.
B. Receive the accountant’s monthly review of checks written by the Secretary General as to coding and available voucher.
C. Submit a written report to the International Council at its Annual Meeting, furnishing in detail the financial condition of the College. He shall also present a Budget for the coming year.
D. File with the Secretary General a Surety Bond in the amount to be determined by the International Council, the premium for which shall be paid by the College.
E. Serve as the Chairman of the Finance Committee of the College.

SECTION 6. SPEAKER OF THE COUNCIL
It shall be the duty of the Speaker of the Council to:
A. Preside over the Annual Meeting (aka Annual Business Meeting) of the International Council in an impartial manner and in accordance with the Rules of Order listed in these Bylaws.
B. Serve as an ex-officio Officer of the International Council (without vote).
C. Serve as Parliamentarian of the Council.

SECTION 7. EDITOR
It shall be the duty of the Editor to:
A. Edit and publish the official publications of the College, and to perform such other duties as may be assigned by the International Council.
B. Serve as an ex-officio member of the International Council and submit a written report at the Annual Meeting.
C. For these services he shall receive such emoluments as the International Council may decide.
D. The Editor shall be appointed yearly by the Council from the membership of the College.
E. The Editor may serve as an allocated Councilor with vote.

SECTION 8. PAST PRESIDENTS
A. The Immediate Past President shall be a fully vested member of the International Council, and not part of any Section's allocation.
B. Other Past Presidents
1. Shall become ex-officio members of the International Council without a vote.
2. Shall receive all official correspondence.
3. Shall serve in addition to the allotted number of representatives from their respective Sections.
4. May be subject to call by the Council or Secretary General to serve in an advisory or otherwise needed capacity.

SECTION 9. COUNCILORS
It shall be the duty of the Councilors to:
A. Attend all meetings of the Council.
B. Liaison between the Council and Section.
C. Report back to their Section all Council directives.
D. Be responsible for all committee assignments.
E. Be responsive to all correspondence.

SECTION 10. VACANCIES IN OFFICE
In the event of a vacancy in the office of the President, the President-Elect shall assume the office of President for the unexpired term and then continue as President for the term to which he was elected.
In the event of a vacancy in any of the other offices, including President-Elect, the Executive Committee shall elect a member to fill the unexpired term until the next meeting of the International Council.

ARTICLE V - COMMITTEES
The Standing Committees are designated in Article VII, Section 6, of the Constitution of the College. The President of the College shall appoint the members and name the Chairman of all Committees except as stated in Article IV Section 1 B of the Bylaws

SECTION 1. AWARDS COMMITTEE
The Awards Committee shall consist of three (3) members from at least two Sections appointed by the President of the College. The President shall appoint a member each year for a term of three (3) years. Service on the Committee shall be limited to two (2) terms of three (3) years each, or a total of six (6) years. The President of the College shall appoint the Chairman of the Committee from its members.
The purpose of the Awards Committee shall be to review and evaluate the materials presented to it and to nominate a candidate or candidates for the:
A. OTTOFY-OKUMURA Award
1. The candidate(s) shall be an individual Fellow. The nominee(s) shall be presented to the International Council for final action. The individual Fellow shall not be eligible (qualified) for the Award until 3 years has expired since he or she last served the College or a Section on any Executive level. Similarly, a Fellow serving as a paid employee of the College or a Section shall not be eligible (qualified) for the Award until 3 years has elapsed following such employment. Once qualified (eligible), the nominee(s) shall be presented to the International Council for consideration and final action.
2. The Award shall consist of a Certificate and/or Plaque properly inscribed and bearing the Seal of the College. In addition, the name of the Individual receiving the award shall be added to the plaque maintained in the College Office of the College by the Secretary General.
3. Granting the Award to a member of a Section shall render that Section ineligible for competition during the following three (3) years.
4. The Award may be presented only once a year and shall be presented at the International Council Meeting of the College or at the Section’s or Region’s Annual Meeting. The Award shall be presented by the College President or his representative. The recipient may defer the presentation of the Award to a future meeting.
5. Any Section wishing to make a nomination for the Award shall submit their request along with substantiating material to the Secretary General who will forward same to the Awards Committee.
6. Any District, Region or individual member of a Section wishing to make a nomination for the Award shall send their request along with substantiating material to their Section or Region President for his consideration and approval. If approved, the Section or Region President shall forward same to the Secretary General.
7. All nominations and substantiating material must be received by the Awards Committee ninety (90) days before the International Council Meeting to be considered for that year’s Award. If the Awards Committee feels it needs additional substantiating material, it may request additional information from the sponsoring Section or other ICD sources.
8. The Awards Committee shall deliberate at the call of its Chairman. This meeting shall be held sixty (60) days prior to the International Council Meeting to consider any and all submissions. The duties of the Committee may be fulfilled through correspondence and a final meeting, if needed may occur the night before the International Council Meeting. All entries shall be kept confidential and may be considered the following year if the Committee so decides. If the submission clearly violates the spirit and intent of the Award, the Awards Committee shall not bring the proposal to the International Council.
9. The International Council must approve the Award submission by a 2/3 majority vote, by secret ballot, of those present and voting.
B. Emeritus Recognition Award
1. The candidate/candidates are to be recognized for outstanding service as International Council Members who have contributed to the progress and achievement of the college in a special way
2. The recognition is restricted to living individuals who have retired as Council members.
3. The award recognizes a performance and contribution above normal expectations.

SECTION 2. CONSTITUTION & BY-LAWS COMMITTEE
A Standing Committee to be known as the Constitution Committee shall be appointed to keep all matters pertaining to the Constitution and By-Laws under review and to make appropriate recommendations to the International Council. The Committee shall be comprised of five (5) Fellows representing not less than three (3) Sections. Members shall be appointed for a term of three (3) years in such a manner that there are no more than two (2) new appointments each year. A quorum shall consist of three (3) members.

SECTION 3. EXECUTIVE COMMITTEE
The details and descriptions of the Executive Committee are delineated in Article III, Section 2, of these Bylaws.

SECTION 4. FINANCE COMMITTEE
A. Income and property of the College shall be used toward the promotion of the objectives of the College and no portion of income or property shall be paid or transferred to any Fellow as a bonus or profit. It shall also be used to maintain the office of the College, to pay any officer, Fellow, or employees of the College for service rendered, to reimburse any officer or Fellow for expenses incurred through service to the College, upon approval of the Secretary General and Treasurer.
B. A Standing Committee to be known as the Finance Committee shall be appointed annually. It shall consist of no less than three (3) and no more than five (5) Fellows. The Treasurer of the College shall serve as the Chairman of this committee. It shall be the responsibility of the committee to keep all financial matters of the College under review and to make recommendations to the College. This account shall specify each disbursement as well as indicate the assets and liabilities of the College, Executive Committee and/or the International Council as appropriate.
C. An account shall be kept of the money received and disbursed by the College. This account shall specify each disbursement as well as indicate the assets and liabilities of the College
D. The Finance Committee shall review the accounts of the College annually. The accounts of the College shall be audited by an independent Certified Professional Accountant every five (5) years.
E. A financial report for the past year and a projected budget for the coming year shall be presented by the Treasurer at the Annual Meeting of the International Council for its consideration.
F. The Finance Committee shall be made recommendations for the investment of surplus funds of the College and to supervise the status of those funds and shall provide a written report to the annual meeting of the International Council.

SECTION 5. NOMINATING COMMITTEE
The Nominating Committee shall be comprised of the Immediate Past President as Chairman, the President, the President-Elect, the Vice President, and one member elected by the Council. The latter should be elected by the Council as the last order of business at the International Council meeting. Wherein one of the five (5) designated members of the Nominating Committee is absent, a new fifth member would be elected from and by the entire Council, prior to its adjournment. The Nominating Committee cannot nominate a member of that Committee for any office. The Secretary General will act as an advisor to the Committee and provide guidance to it, but will not be a voting member. The nominated candidates will be announced to the International Council not later than 30 days prior to the election. A verbal report may be released by committee members to the International Councilors at the conclusion of their meeting. This Committee shall present a list of nominees for the offices to be filled at the Annual Meeting of the International Council. If for any reason, a nominee becomes unable to serve if selected, the Nominating Committee may present a replacement nominee or nominees up until the opening gavel of the International Council’s annual meeting. These nominees shall fulfill the
requirements as set forth in this Constitution and Bylaws. Further nominations from the floor may be made by any member of the International Council.

The process of nomination and endorsement by a Section of the College should involve the following actions: Submit name, certified by the President of the Section, to the Secretary General not later than 60 days prior to the annual meeting of the International Council. Examination and scrutiny of candidates by the Nominating Committee: This scrutiny should include the examination of the history of the candidate on ICD Council and the holding of some positions of importance, that the candidate or candidates fulfilled the requirements of experience, past performance in an appropriate capacity, communication skills, enthusiasm, etc. The final function of the Nominating Committee is to bring forward the name of a favored candidate for office consideration by the Council. Nominations are permitted from Sections, Regions or Councilors.

The Nominating Committee should be concerned with the full slate of officers of the College, including the Vice President, the Treasurer and the Editor. It is important that the position of Vice President to be seen and understood as a protected position, meaning that the Vice President moves on automatically to President-Elect and President.

SECTION 6. HISTORY COMMITTEE
A Standing Committee which will annually record the History of the College and provide this information to membership at least every five (5) years, either via a published document or over the ICD website. The committee shall be made up of four (4) ICD Fellows from widely dispersed Sections. The members will be appointed for a three (3) year term. The Editor shall be an Ex-Officio member of the committee.

SECTION 7. COMMUNICATIONS COMMITTEE
A. A Standing Committee which shall function to:
   • Coordinate all internal and external communications activities of the College to assure an integrated effort and an informed constituency.
   • Explore, develop and promulgate, with the approval of the College, new communications initiatives as appropriate.
   • Advise the Council of any and all matters pertaining to communications.
   • Periodically review its mandate and recommend amendments as appropriate to insure its continued relevance in serving the College.
B. The Communications Committee’s strategic objective shall be to have programs that effectively promote intra- and inter-College Communications.
C. The Communications Committee shall be composed of five (5) Fellows representing not less than three (3) Sections. Members shall be appointed for a term of three (3) years in such a manner that there are no more than two (2) new appointments each year. A quorum shall consist of three (3) members.
D. A Strategic Thinking Subcommittee shall be a part of the Communications Committee. It shall be composed of a Chairman and a recorder appointed by the President.

SECTION 8. PROJECTS
Duties of this Committee shall include but not limited to:
A. Cataloging projects being done around the world.
B. Outline the highlights of each project.
C. Review the impact the project had on the area involved.
D. Evaluate the cost and means of financing the projects.
E. Evaluate the involvement of local Fellows.
F. Evaluate the transferability of each project to another Section or Region.
G. Continue to search for a “Signature Project” for the College.

SECTION 9. MEMBERSHIP
A Standing Committee to be known as the Membership Committee shall be appointed to:
A. Foster growth, recruitment and retention of Fellows
B. Study, review and recommend membership best practices to the International Council
C. Provide oversight of the College development initiatives
The Membership Committee guidelines will come from the College’s adopted Strategic Plan, including its mission, vision and goals. The committee chair will create biannual reports on College membership, which will be submitted to the College Office 45 days prior to the Executive Committee and International Council annual meetings.

ARTICLE VI - INDOCTRINATION, COLLEGE KEYS, PINS, CERTIFICATES, COLORS, CAPS AND GOWNS

SECTION 1. INDOCTRINATION
Candidates shall, prior to induction, receive an orientation session designed to educate them about the College: its history, identity, objectives, structure, projects, and other activities.

SECTION 2. KEYS AND CERTIFICATES
Fellows of the College shall each receive the official Certificate and an official College Key. The Certificate and Key shall be presented during the Induction Ceremony conducted at the time and place designated by the Section. The College shall be responsible for the production of the Certificate and the Section shall provide the Key, which shall be the official College Key with no Section designation upon it. All Fellows, including Masters and Honorary Fellows, shall receive an official Certificate, which shall be prepared by the College and may be duplicated by the Section. The Key and Certificate shall be permanent property of the College and shall be deemed to be held in trust by the member and upon default or resignation shall be surrendered to the College at the discretion of the Board of Regents or the Governing Body of the Section concerned.

SECTION 3. WEARING OF THE COLLEGE KEY, PIN, AND EMBLEMS
Fellows of the College, in good standing, are permitted to display their Fellowship by wearing the emblems of the College. Wearing of the College Pin is acceptable. The College Key is designed to be worn around the neck on a gold and green ribbon.

SECTION 4. COLORS
The colors of the College shall be Gold and Dark Green.
The College Key may be cast, stamped, or fabricated from gold or a metal which resembles gold. The College Key is a registered trademark of the International College of Dentists. The official recognition pin of the College shall be a gold key or green and gold bar lapel pin.

SECTION 5. CAPS AND GOWNS
The gown shall be made of black fabric with velveteen trim. There shall be three front panels in lilac (traditional color of the dental profession), gold color and dark green. There shall be three black velveteen bars on the sleeves with a three-inch gold color band below the bars. The cap shall be a black mortarboard with gold color tassel.

ARTICLE VII - GRIEVANCES AND DISCIPLINE
The Board of Regents or the Governing Body of a Section shall have the authority of the International College of Dentists to investigate any professional misconduct on the part of a Fellow of that Section. Each Section shall establish its own rules and regulations as to the procedure to be followed. The Executive Committee shall act as the investigative body for Section XX: Regions. Its findings and recommendations shall be presented to the International Council at its next meeting for final action. The action taken in all cases shall be reported to the Secretary General.

ARTICLE VIII - NECROLOGY
The death of a Fellow shall be recorded by the Board of Regents or the Governing Body of the Section or Region involved and the Secretary General shall be informed. Names of the deceased shall be announced at the next meeting of the Board of Regents or Governing Body of the Section or Region.

ARTICLE IX - AMENDMENTS TO THE BYLAWS
The Bylaws may be amended at a meeting of the International Council especially convened for that purpose. The Notice convening this meeting shall set forth the proposed Amendments and shall be mailed to the Councilors at least forty-two (42) days prior to the meeting. The Amendments must be passed by two-thirds (2/3) of those present. A Special Meeting may be convened at a regular meeting of the International Council upon consent of two-thirds (2/3) of those present and in such case, approval of the Amendments shall require a three-fourths (3/4) majority.
Standing Rules for College Operations

Background
In 2016, the International Council called for the establishment of Standing Rules for College Operations. This is expected to be an ongoing process with Standing Rules being assembled from several sources such as existing recorded policies, and items presently stated in the Bylaws and College governance practices. Annually, a current version of Standing Rules will be presented by the Executive Committee to the International Council with additions or changes delineated. In starting the project, the Executive Committee has approved the following as Standing Rules.

Protocol for Proposing and Approving Standing Rules
The Executive Committee and the Constitution and Bylaws Committee are expected to lead in proposing Standard Rules for operating the College. Members of the International Council may also propose Standard Rules either individually or by committee action. All proposed Standing Rules must receive preliminary approval from both the Executive Committee and the Constitution and Bylaws Committee. Final approval by the International Council during open session is required before the proposed rule becomes in effect and is placed in the Standing Rules Document. Proposals to amend existing Standing Rules shall follow the same protocol.

Nominations Committee Protocol
1. Nominations Committee receives nominations from Sections during a three-month time-period following the annual Council meeting
2. Nominations Committee reviews all nominations and proposes a ‘choice of officers’
3. Nominations Committee informs all candidates who their ‘choice of officers’ is and provides opportunity for any to remove his/her name from the ballot before Council sees the ballot
4. Sixty (60) days prior to Council meeting, Nominations Committee announces all candidates including their ‘choice of officers’
5. Council makes official vote during Council meeting, and those elected assume office immediately following meeting

Membership Requirements
1. It is the expected and customary practice of the College worldwide that Fellows be a member of the Section where they live or work.
2. In the exception that a dentist is nominated for membership in a Section other than where he/she lives or works, the nominating Section shall inform the Section where the candidate resides, give the reason for the nomination and provide candidate qualification records. The
nominating Section shall request the Section of residence for confirmation of the good standing of the candidate and inquire as to any objections to the conferring of ICD Fellowship.

3. Good standing shall be interpreted as being respected within the dental profession and their community, free from allegations or charges against the candidate and being in compliance with regulatory authorities. Good standing shall also infer that the candidate respects and demonstrates the core values of ICD.

4. Thirty (30) days shall be the time for inquiry and response. Receiving no answer may be interpreted in the affirmative. In the event the Sections disagree, the Executive Committee shall hear their reasoning, review and decide the question upon request.

**Candidate Evaluation Guidelines**

**Personal Considerations:**
- The candidate shall have demonstrated integrity, leadership and service.
- The candidate shall have strength of character and the endorsement of recognized peers.
- The length of the candidate’s professional career shall be an important consideration.

**Record of Achievement:** The candidate shall demonstrate a record of exceptional achievement in at least two of the following four categories:

1. **Academia**
   - Advanced academic appointment
   - Research
   - Publication in refereed journals
   - Lectures, presentations beyond the home university setting

2. **Professional**
   - Appointment or election to leadership in dental associations or initiatives
   - Leadership record as a student may be considered

3. **Professional Service and Altruism**
   - Substantive record of volunteerism in dental humanitarian projects
   - Recognition, awards received for community service and altruism

4. **Community Achievements**
   - Substantive record of civic, government, or non-government organization volunteerism
   - Offices held by election or appointment within their community
   - Leadership of specific initiatives: e.g. charitable fundraising

**International Council Decisions and Actions**

1. Unless the Bylaws specifically indicate otherwise, decisions of the International Council are decided by a simple majority of the votes cast.

2. Unless the Bylaws specifically indicate otherwise, decisions of the Council take effect immediately upon reaching the decision by the casting of votes.

**In Good Standing**

1. With regards to ICD Fellows, in Good Standing refers to the Fellow being in compliance with ICD membership requirements and being current with dues obligations.
2. Regarding Fellowship requirements, in Good Standing shall be interpreted as being respected within the dental profession and their community, free from allegations or charges against the Fellow and being in compliance with regulatory authorities. Good standing shall also infer that the Fellow respects and demonstrates the core values of ICD.

Awards Committee Protocols

1. Nominations for awards bearing the name of The College that are proposed for presentations shall be reported to the Awards Committee and reviewed by the Committee.

2. Awards that require preliminary approval by the Committee before final decision by the Executive Committee and/or the International Council are: Ottofy-Okumura Award, Master Fellow, Emeritus Award, and Distinguished Service Award.

3. The following awards shall be monitored by the Committee for their appropriateness and frequency: Honorary Fellowship, Life Fellow, President’s Citation and Meritorious Award.

4. The following definitions shall distinguish these individual awards (not defined elsewhere):
   a. **Distinguished Service Award**: intended as a lifetime achievement award recognizing outstanding service to the College or the public over a long period of time.
   b. **President’s Citation**: granted upon the wishes of the President or at the request of a Councilor, this award commends a Fellow for an uncommon and outstanding achievement or contribution that is in line with the mission of ICD.
   c. **Meritorious Service Award**: this award is intended to thank Fellows who have generously donated time and talent for ICD related service or community volunteerism.

Initiation Fee Policy

The recommended date for the payment of new Fellow Initiation Fees by the Sections is 30 days, but not later than 60 days, following their Initiation Ceremony. Payment is to be accompanied by a roster of the new Fellows with their contact information using the same spreadsheet method already used by all Sections when they send their annual membership data to the College Office.

Section XX International Dues Policy

1. No annual dues are assessed to new Active Fellows during the year of their initiation into the College.

2. Active Fellows must pay annually assessed dues before the deadline (end of calendar year) to remain in good standing with the College.

3. Active Fellows who owe two-three years’ dues are considered dues delinquent and not in good standing.

4. Fellows owing more than three years’ annual dues are classified Inactive: not in good standing with loss of all privileges of fellowship.

5. Inactive Fellows may be reactivated to good standing by paying three times the current annual dues amount, providing they otherwise qualify for fellowship.
